OAK TERRACE SCHOOL

Lester Laegeler, Editor
\$35.00 was cleared from the Play given by the pupils of the Oak Terrace school on Oct. 30. This money is to be used in purchasing a phonograph for the Auditorium.

The regular monthly meeting of the Board of Education was held Tuesday evening.

Beginning next Feb. the school will be reorganized upon the semester plan. Promotion will take place semi-annually, thus making it necessary for the pupil who fails to repeat only a half year's work.

The High School orchestra under the leadership of Mr. Conover will play at the Oak Terrace school next Wednesday for the Parent-Teacher's meeting. All pupils in the school will have an opportunity to hear the program.

The Oak Terrace school orchestra is making a very good beginning with the piano, five violins, a cornet and a drum. We are in hopes that others may become interested and take up some musical instrument.

Mr. Hamarlund has taken the place of Mr. Ayres, the janitor of the school.

The boys of 6, 7 and 8 grades have been classified in two groups for basketball practice. The boys in A class practice Wednesday at 3:30 p. m. and Thursday at 7:30 p. m. The boys in B class practice Monday at 3:30 p. m. and Friday at 3:30 p. m. Showers were installed in the basement of the school for the benefit of the basketball players.

The 6th grade girl's basket ball team began their practice Tuesday, Nov. 7 and will play 7th and 8th grade teams.

The 8th grade pupils are drawing maps of Lake county.

Bessie Miller, from Libertyville, visited the 6th grade yesterday, Nov. 7.

Edmund Garrity of the 6th grade left last night for Detroit.

The 2nd grade gave a surprise party on Miss Keough their teacher.

The Blue class of 2nd grade started the Story Hour reader.

Three fine new tables have been put into the First grade room. They will be a great help to the children because the desks were too large for the tiny people.

ART STUDENTS WIN PRIZES FOR POSTERS

Miss Colby and Miss Hendsen First and Second in Green Teapot Contest

The two cash prizes offered by the Green Teapot for the best window posters executed by students of the Art department of the high school were won by Doris Colby, first, and Genevieve Hendsen, second. A dozen posters were submitted by members of the class and all received favorable comment from the judges and others who saw them. The excellence of the work reflects notable credit on the pupils and Miss Wood, instructor in the art department.

SECOND STUDY CLASS OF WOMAN'S CLUB

Elam L. Clark to Speak on Proposed New Constitution; Is Interesting Subject

The Highland Park club will hold their second class to study the proposed new constitution for Illinois under the leadership of Mr. Elam L. Clarke of Waukegan, on Wednesday, November 15, in Witten's Hall. This document is of such vast importance to the citizens of this state that it is the absolute duty of every one to acquaint himself with its provisions and go to the polls and vote intelligently upon it at the election, December 12. The club urges all citizens to come to the next meeting when questions for and against the new constitution will be considered.
