LINCOLN P. T. A. HAS INTERESTING MEETING
Hubert Conover Gave Talk on Orchestral Concerts. Mrs. Butler Sang

The talk on the work of the Deerfield-Shields Township Orchestral Committee and its proposed plan to give a series of orchestral concerts in Highland Park for the purpose of familiarizing our children with the best in music, given by Mr. Hubert S. Conover at the last meeting of the Lincoln School P-T-A, Wednesday, November 1st, proved most enjoyable and instructive and kindled much active interest among those present.

Mrs. Alice Drake Butler, well known concert pianist, gave a group of American, Russian, Italian and German compositions with all the fire and feeling and finish of a Carreno. Her contribution to the program was a genuine musical treat.

NEW TRIER CONCERT WEDNESDAY, NOV. 15
The next children's concert of the Little Symphony Orchestra will be held at the New Trier High School, Wednesday, November fifteenth, at four o'clock instead of November fourteenth. The ditches along the automobile roads not merely serve to carry off the water, but they form a soft spot for the automobile speeders to land in.

Eyes stabbing, fangs bared for battle, the great body rigid—then rippling in a spring. Fighting a wolf pack for the love of a woman—and winning her hate.
In very truth the snowland's greatest story—of mother-love and dog devotion; big in drama, bigger still in sheer surprise!
By the man, the woman and the dog who made "The Silent Call."
Made "Midst the Wolf-Packs at Risk of Life—But Worth the Risk!"
ALSO BUSTER KEATON COMEDY

Two women—a French dancer and a proud society beauty—throwing conventions to the winds and fighting for a man's love in the hot wastes of the Sahara. Wild adventures, gay Arabian revels, tears and a maddest romance. All thrillingly blended in a picture ten times better than "The Sheik." Produced on a scale as sweeping as its name. With a cast of real stars.

Nature's Greatest Food Certified Jersey Milk

THE MILK WE HAVE FOR SALE IS THE BEST, THEREFORE IT COMMANDS THE HIGHEST PRICE

Dr. Collum of Johns Hopkins University, Baltimore, Md., finds after many years of experimental work, that butterfat is the most valuable human food.

JERSEY MILK contains 5.37% butterfat, the highest percentage of any breed of cows.

JERSEY MILK is rich, creamy, appetizing and highly nutritious.

THE UNITED STATES GOVERNMENT SAYS
"Milk is the best food we have. Give your children milk, a quart a day for every child if possible, a pint without fail. Plenty of milk will help you give all your children both big and little, a chance for health they ought to have. Buy more milk and less meat and your family will be better fed."

Our herd is regularly tested for tuberculosis by the U. S. Govt. Bureau of Animal Industry.
