The pastor has secured for next Sunday evening the most remarkable collection of slides showing shops and shop conditions in all kinds of manufacturing industries in America. If you are interested in workmen and women; if there is any plea if the labor problem appeal to you, you will be glad of the opportunity to see these pictures. They have been prepared at great expense, and carry an eloquent message.

We know that our people will turn out en masse to greet our brother, and to be helped by the message he will bring us. A warm invitation to all to come and worship with us.

DUMB DAN

He's so stupid that he thinks:
That he can sing in any flat if given a key.
That B. C. means "Big Cellar."
And A. D. means "after Dark."
That a "Hick" town is a booze town.
That Robin Hood was a head-dress.
And that the annual Christmas rush is a football play.
Do you know a Dumb Dan? Tell us what he thinks. We'll print it.

Our Tommie bent over a gas tank. Its contents he wanted to see. He lighted a match to assist him. W-oh bring back matomnie tome.

"Whew! Do you call that coffee? It looks like mud."
"Why shouldn't it? Only this morning it was ground."
