

Y. M. C. INAUGURATES MEMBERSHIP DRIVE

The Young Men's club will inaugurate a new membership campaign beginning Dec. 15. The quota is twenty-five new members. The club has been divided into two teams captained by Billie Shriner and Leonard Eichler. The winners of the side which gets the greatest number of new members first will be hosts at a banquet served by the losing side. Prizes of \$2.50 for three new members and \$5 for five new members will be awarded.

MRS. CAVANAUGH'S FUNERAL HELD HERE

The funeral of Mrs. Ellen Cavanaugh, for many years a resident of Lake county, and well known in Highland Park, whose death occurred on Monday of last week at Titusville, Fla., was held Saturday afternoon, at the Prior chapel, Rev. P. C. Wolcott officiating, and burial was in the Half Day cemetery.

Mrs. Cavanaugh was aged about 85 years and was a pioneer of this county, having removed to Florida two or three years ago to live with a daughter. A brother, Mr. Mowers, lives at Libertyville.

RAVINIA WOMEN BOOST RED CROSS

Increase Membership in Chapter From 133 to 177, in Roll Call Campaign

Mrs. Clinton S. Beach, chairman of the Red Cross, Chicago chapter enrollment of members in Ravinia, and her assistants have increased the membership from 135 of last year to 177 this year. This is splendid work. Memberships which came in by mail from Ravinia will be credited to Mrs. Beach, so it will show an even greater increase for Ravinia.

A chimney burning out at the residence of Ward W. Willits, 715 South Sheridan road, Monday evening, caused a fire alarm of fire and the firemen made the run. There was no damage.

THE GREEN TEA POT

OAK TERRACE SCHOOL

Lester Laegeler, Editor.

An entertainment and exhibit of the pupils' Christmas work will be given in the Auditorium at eight o'clock next Wednesday, Dec. 20.

Seven reels of pictures will be shown before the sale and exhibit are held. The proceeds of the entertainment will go toward buying suits for the school basketball team.

Each grade in the school will have one booth in which to display the work. Such things as baskets, painted-leaves, crocheted bags and toy automobiles will be on sale. There will also be an ice-cream sandwich booth and a candy booth.

The eighth grade boys defeated the seventh grade boys in the first game of basketball of the season. The score was 8 to 3.

The sixth grade girls were defeated by the seventh grade girls to the tune of 6 to 2. Don't forget, boys and girls, that there is as much honor in being a good loser as in being a good winner. A sum of \$15 was cleared from this game to buy a new ball.

A special meeting of the school board will be held in the office of the school this evening.

Our enrollment is steadily increasing. We have five new pupils this week. The third and fourth grades average fifty pupils to a room. Our building will not permit of more teachers, as we are using the stage and every available space at present. It will be necessary to have at least four new rooms before another year of school commences, to take care of the increase.

You Shared in the Distribution

If you had membership in our 1922 Christmas Savings Club, you shared in the distribution of Nineteen Million Dollars, made by the 5000 banks of this nation, during the past few weeks on account of Christmas Savings Clubs. Of course you have joined or will join our 1923 Club.

If you did not share in the distribution, you are certainly going to be one of the fortunate ones next year, and we urge you therefore to arrange for membership at once. That will mean money and plenty of Christmas cheer next year. There are many plans to choose from. No membership fee.

Join to-day.
