"The Holly Berries glow and the pearly Mistletoe are not even by the Rose Out-vied."

Flowers by telegraph all over the world.

Inside of two hours we will deliver flowers to any part of the U. S. A.

And so to all of our Friends, near and far, we extend in the same old words, but with meaning that is ever new, that wish that echoes 'round the World and back.

## A MERRY MERRY CHRISTMAS

This will make our 28th Christmas in business in Highland Park, for 27 years we have been supplying the good Folks of our Town with posies, and so again this year we like to remind you that flowers, are to be considered Ideal Christmas Gifts.

More than that, it requires Flowers, Hollywreaths, the Mistletoe, the Red Berried Centerpiece for the Table, the Evergreen Wreathing and the glowing Poinsettia to assist creating the true Christmas Spirit in your Home. Little matters what Church you belong to, what Creed or Dogma you believe in, the Spirit of Christmas has become universal, in all civilized Lands, Hearts and Hands join in to give expression to it, and there will be a To-morrow coming when that Spirit will prevail all through the year.

After all it is the Spirit, even of a Gift that means most—We are never in doubt about that when you give Flowers and they radiate Yuletide Happiness.

Let Flowers say your Christmas Greetings—they hold all the more intimate sentiments of this the greatest of all Holy Days and express the givers personality as no other Gift can.

As the Poet said "Flowers are vivid assertions that beauty and sentiment out value all the utilities of the World" let us add to this sentence and when ever words fail "Say it with Flowers."

What could there be more appropriate, what more fitting, no matter what the Circumstances, than a blooming plant as a Christmas Gift—a living token of your Esteem and a beautiful and lasting reminder of the Christmas Spirit?

With what could you delight Wife, Mother or Sister more on Christmas Morning, than a Box of Blossoms or a plant-basket—You may give other more expensive Gifts, but why not complete their happiness and include a few Flowers?

For the Sick Room we have Radiant Roses, Modest Violets, exquisite Lily of the Valley, fragrant Sweet Peas, the Holly Red Poinsettias, Golden Jonquils or divine Carnations—just a few of these, how much would they mean to those in Sorrow or distress?

2500 Bonded Florists all over the United States and Canada are at your Service through us, to fill your Order for Flowers by Telegraph—You have some one to be remembered this Christmas, many hundreds or thousands of miles away—do it with Flowers this year and let us fill the Order.

A great profusion of lovely Flowers and Plants await you at our Greenhouses and the following are just a few of the many good things we offer.
