BOWLERS MAKING GOOD SHOWINGS

ENTER BIG TOURNEYS

Several Going to Cicero and the Rockford Meet; Sweepstakes at Majestic Arouse Interest

The first prize checks of the season were received the past week when George Rudolph and Ham Beaudin, got one for \$8.00 from the Chicago Bowling association for their score of 1145 in the two-run event in the recent annual city tourney. Matt Shiel also received one for \$5.00 for his 603 total in the singles event.

Ori is First A. Ori won the first prize in last week's tourney, with 624. Geo. Rudolph finished second with 614, and L. Pasquies came in third with 604.

For this weeks tourney a little two-man merry-go-round is in progress and will put the bowlers on edge for the many tourneys and special matches coming in the next three or four months.

Bowlers can bowl as often as they wish with same partner, and change partners at will, the prizes are split 50 percent to high team total; 30 percent to second; 10 percent for high individual three games and one game Rudolph and Parker are in the lead with 1169 pins. Parker has high three games with 624, also high one with game with 226. Tourney ends Sunday night.

In Big Meets The North Shore Line and Majestic teams are entered from this city in the big meets at Cicero, Ill., and Rockford, Ill., the Majestics will journey to Aurora on Jan. 28 to shoot in the big interstate meet there.

Much interest is being displayed in the first sweepstakes of the season at the Majestic alleys booked for the coming Sunday. Several Waukegan, Lake Forest, Kenosha, and Racine bowlers are planning to enter.

JUNIOR RED CROSS MEETING SATURDAY

To Be Held at Headquarters in Chicago; School Teachers Are Invited

A meeting of Junior Red Cross workers of the schools of Michigan, Indiana, Illinois, Wisconsin and Iowa, will be held Saturday, January 13th, at 2 p. m., at Central Division Headquarters, 660 Rush street. County and outside school teachers are especially invited.

There will be informal talks on how to make the Junior Red Cross program of greatest profit to school and pupil.

Miss Florence Densen will tell how the pupils of the Altgeld school have found Geography a fascinating study since they have received letters from boys and girls in Montenegro, the Philippines and Indian boarding schools in Montana. This has been made possible through the Junior Red Cross international correspondence work.

There will also be an international school exhibit showing the school work of Czechoslovakia, Poland, France, Austria, Hawaii and the Virgin Islands.

The Junior Red Cross was organized by school people who found it an aid in the schools and who had a vision of lessening the danger of another war, by making world wide friendships among children.

NELSON-VOLIVA SUIT UP AGAIN

Another Hearing of Libel Suit Begins This Week in Chicago Court

The more or less famous libel suit in which the Rev. Thos. H. Nelson, Zion independent pastor, charges Overseer Wilbur Glenn Voliva with having libeled him by referring to him as "An Old Blatherskite," a "Shameless Liar," the "Wild Man of Borneo," and other alleged epithets, will go on trial in the Superior Court of Cook county, Jan. 15, and the array of counsel has been completed, it was announced at Waukegan.

States Attorney A. V. Smith, who is prosecuting Voliva, will have as his aid Judge Pedan, an assistant States Attorney of Cook county, a Deerfield resident.

Voliva's array of counsel will include Judge P. Barnes, of Woodstock, Atty. Theo. Forby, of Zion, and Albert L. Hall, of Waukegan, who defended him in the initial trial here, and Atty. H. A. Berger, of the firm of Pilsenthal, Struckman & Berger, Chicago.

PROSPECT IS POOR FOR ICE HARVEST

Dealers Say None of Crop Cut So Far Is Over Five Inches Thick

That little or no natural ice will be harvested in Lake county this winter, unless there is a spell of zero weather before long, is the statement of icehouse owners in the county who are becoming genuinely worried. At the present time not one pound has been harvested.

Harvesting of ice at the present time is out of the question because it is said that it is but five inches thick. Ice should be fully twelve to fourteen inches thick to be of suitable thickness for cutting.

Icehouse owners say that indications at present are that this season will be practically the same as last winter when little ice was cut.

BASKETBALL GAME FRIDAY EVENING

New Trier to Play Here in First Of Suburban League Series; Good Games

Interest in basketball is livening up at Deerfield-Shields as the league season opening nears, and when New Trier teams appear here Friday evening for the first games of the Suburban league series the high school gym will be packed with fans. Both Deerfield teams are in the pink of condition and have been giving good accounts of themselves. Deerfield defeated Harrison in practice games, both Lights and Heavies. Heavies won, 28 to 17, and Lights, 18 to 14. Deerfield and Senn school split, the Heavies winning, 28 to 6, and the Lights losing, 28 to 10.

An optimist is a man who can eat a heaping dish of disappointment and declare to the cook it was fine.

REV. O'BRIEN HEADS EDUCATION PROJECT

Dean of Religious School Open Jan. 29, at Waukegan; Is Civic Move

Rev. Robert E. O'Brien will be the dean of the School of Religious Education opening at Waukegan, Monday, January 29, as a project of the Civic Council of Religious Education, recently organized by a number of local societies and clubs. Rev. O'Brien was appointed to this position by the executive committee of the council at a meeting held at the Y. M. C. A.

INDIANA GAME IS POSTPONED BY N. W.

The basketball game with the University of Indiana which was scheduled by Northwestern University at Patten gym for January 20 has been postponed one month, according to an announcement yesterday. The new date is February 20 and students, alumni and friends of both the Purple and Indiana "U" are requested to hold the new date in mind. The game had been extensively circularized and it is a matter of regret that it had to be postponed. Therefore the next "home game" which Northwestern plays will be against Ohio State at Patten gym the night of January 29th. This should be one of the hardest-fought basketball tussles of the season as the two teams will be quite evenly matched.

The American Tree association urges everybody to plant something this spring. The Get Rich Quick suckers are planting a good deal of money in worthless stocks.

No economic conference will be held at present in Washington, but it takes a good many of them in most families nowadays after the pocket book has been depleted by the holidays.

BRIEF AND BREEZY

People who make happiness their main line of search are sure to get shunted onto a sidetrack.

A reformer is one who believes that the salvation of the world depends largely on the success of his pet idea.

The crooks who are holding up people on the roads and breaking into banks are not the only bandits in this country.

Ever since the world began the minority has been right. Don't be too anxious to join the crowd.

When a business man once gets the idea that people want service above price he begins to join the rankers.

"Paying the piper" comes so hard because usually the dance was not worth it.

When you pick up the telephone, remember a profitable deal may depend on how you answer.

It must be a circus to see father sitting stiffly in the new dressing gown mother got him for Christmas.

It is a matter of pride with us, as well as to merit your approval, that makes us put everything we have in equipment and skill into the printing we do for you.

The man who advertises is remembered when the other fellow is forgotten.

Meet expenses! Bless you, you can't avoid them no matter where you turn.

No man will ever know how many women are torn between discretion and curiosity.

Fact that the citizen is asked to help support his government by making out his income tax blank, is no reason why he should remark, Blankety, blank, blank, blank.

All through the north winter sports being enjoyed. Dad says snow shoveling is the healthiest of them.

Also sawing wood, shoveling coal, and getting out the ashes are fine winter sports.

The women folks used to think men's hearts were in their stomach but now they seem to think they are in their eyes.

Success often times lies just beyond the border line of failure, but faint heart are sometimes held back by the line.

Buckwheat cakes—Oh what can beat 'em? Pity folks who don't dast eat 'em.

Many women becoming newspaper editors nowadays. Reported that they are not satisfied just to sweep a path down through the center of the office every day.

Some of the folks in hospitals as results of automobile accidents, think more favorably of walking as an exercise than they formerly did.

The Germans are willing to agree not to make another war until they get to the point where they can win if they fight.

The average man does not know much about a moratorium for Germany's payments, but he would like one on his grocer's bill.

Some people are enough interested in public causes so that they will attend a free banquet in behalf of a community movement.

STATE ROAD PLAN

George N. Lamb, district state highway engineer, was in Waukegan last week conferring with Charles E. Russell, county superintendent of highways, and he was not inclined to hold out much encouragement for the early completion of Lake county's road program.

Engineer Lamb declared that the Sheridan Road proposition, involving the improvement from 22nd street to the north limits of Lake Forest, is now being held up because the government demands different grade requirements from those in the state's plans. He also declared that right of way is holding up the Belvidere road program from Volo to McHenry, there being some property at McHenry to which the state has not been able to obtain title.

The state official also declared that there will be no more lettings until the legislature appropriates some more money from the 60,000,000 bond issue, as the present appropriation has become exhausted. Engineers Lamb and Russell went

over some of the plans the county official has completed.

VEHICLE LICENSES

There were many more owners of motor vehicles in Highland Park in 1922 than in the previous year, according to the records of City Collector Rubly. In 1922 1100 city licenses for motor vehicles of all kinds were issued by his office. This total, Mr. Rubly says, is much larger than in 1921, and indications are that in 1923 the number will be greatly increased, as the use of the automobile for all purposes is becoming rapidly more general here, as elsewhere.

Formerly parents who wanted their girls to attend college used to worry about their passing the exams, but now the question is whether they can get money enough for their clothes.

Many a man admits to himself that he isn't half as smart or confident as he stages himself to be to others.
