WHY WE ALWAYS LEAD

LEAGUE OF WOMEN VOTERS MET LAST WEEK

Mr. Keller of Waukegan High School Spoke on "Vocational Education"

The Lake county branch of the Illinois League of Women Voters held its monthly meeting on Wednesday, Jan. 10 in the Chamber of Commerce rooms, Waukegan.

Mrs. H. C. Folts, the president, presided.

Mrs. Paul's resignation as treasurer was accepted with regret and Mrs. W. C. Parker of Waukegan was appointed her successor.

The speaker, Mr. Paul Keller, Principal of Waukegan Township High School, spoke on "Vocational Education." It was a very interesting and convincing address. All present must have felt the need of an appropriation to carry on "Vocational Education" in the school.

No wonder that President Harding needs a good Airedale dog to guard his possessions, when the Democrats are trying to get his goat.

LIBERTYVILLE AIDS NEAR EAST RELIEF

Woman's Club Sends Generous Contribution; Radion Appeal Made

The Libertyville Women's club has joined the great band of men and women all over this prosperous country who are making every effort to carry more than a million victims of Turkish cruelty in the Near East, through the rigors of the winter. A generous contribution has just been sent to Near East Relief headquarters in Chicago.

Radio, the latest invention of science, has been pressed into service on behalf of the sufferers. Clifford F. Jackman, recently returned from active relief work on the scene of disaster, is still receiving contributions from homes which "listened in" on the appeal which he broadcasted recently.

Being urged to help out with home town movements, many people are willing to accept offices that carry honors but do not call for any work.

ARMY AVIATOR IS KILLED AT FORT

Lieut. Fox of Chanute Field Is Burned to Death Wednesday Afternoon

Lieut. Russell R. Fox of the army air service, stationed at Chanute field, Ill., was burned to death yesterday at the aviation field, Fort Sheridan, when his plane crashed into a tree and broke into flames. His mechanic, Sergt. Diner Ball, who was in the rear cockpit of the plane, was not injured.

The accident took place when Lieut. Fox was taking off to return to Chanute field. He had flown up the day before to visit friends at the fort. As the machine left the ground it was caught by a cross current of air and as it swerved it crashed into the lower branches of a large tree.

The impact tossed the plane sideways and it struck on a fence. The mechanic was able to climb out, but before he could aid Lieut. Fox the plane was a mass of flames from an exploding gasoline tank.

Lieut. Fox was from New York state. A sister lives at Rantoul, Ill. The aviator was noted for bravery and had seen service overseas.

FIRE CHIEF HOSKIN NATIONAL DELEGATE

Selected at Annual Meeting of State Firemen to Attend National Meet

Fire Chief Ed Hoskin of Highland Park was elected a delegate of the Illinois Firemen's association to the national convention of firemen to be held at Milwaukee this year, at the annual convention of the state firemen's association held at Dixon last week. Aurora gets next year's state meeting.

The following officers were elected for the ensuing year: President, A. W. Thode, Galena; vice-president, Pearl Smith, Madison; secretary, Roy W. Alsip, Champaign; Treasurer, Fred E. Donner, Mount Pulaski; historian, E. W. Weidner, Mount Olive; delegates to the national convention at Milwaukee, A. W. Thode, Galena, Edward Elmer Dalton and Chief Ed. Hoskin, Highland Park. A motion to double the annual dues was voted down.

CORNELIUS DORIAN DIES AT R. R. HOME

Cornelius Dorian, aged 55 years, died Tuesday night at the Railway Men's home, where he had been cared for for 18 months. He came from Marion, O. His wife is dead, and there is living one son, whose home is in Ohio. He was here today to take charge of funeral arrangements.

OAK TERRACE SCHOOL

Lester Laegeler, Editor.

There is nothing mysterious about the public school. Its operation should be understood by everyone. The business of the school is the business of every person in the community, not just the few who happen to be members of the school board.

A community with citizens interested in having a good educational system in a community that is alive with progress and prosperity.

If every citizen of Highwood would acquaint himself with the crowded conditions in our school, it is probable a bond issue for an addition to the present building would be a simple problem.

It is unfair to children that conditions should be as they are and the only possible remedy lies in the hands of the parents. There is a total enrollment of 330 pupils, an increase of 40 over that of last year. This alone would warrant the addition of another room. Our school board, to meet the situation, remodeled the stage in the auditorium to use for a class room. They also took out partitions in rooms previously used for janitor quarters, to accommodate the first grade. With a further increase, which is certain, there is absolutely no further available space in the present building. Not only is all space being used, but the enrollment in some rooms has passed the 50 mark. This condition cannot long exist and the standard of the school be maintained.

The citizens of Highwood are going to be asked to support a bond issue for the enlargement of our school facilities. Knowing the conditions and looking ahead for the welfare of the children of Highwood, we must support it.

About fifty boys and girls of the Oak Terrace school went to Deerfield to cheer on their teams Tuesday night. Such loyal support goes a long way toward winning a game. The score for the boys team was 14-7 in favor of Deerfield, and for the teachers 14-13 in favor of Deerfield.

The January meeting of the Oak Terrace P. T. A. was held Wednesday at 2:30 p. m.

Mrs. Cyrus Wright, nee Miss Cosie Edwards, a former teacher in Oak Terrace, visited school last Thursday. The teachers' basketball team is practicing hard for some games in the near future.

The pedestrian trying to cross the streets in many crowded cities knows how the deer feel with all the hunters after him.

RESOLVE

To save and have for future use — your money.

When you realize how little you are depositing to your credit with the bank, it is very evident you are not making the right preparation.

Eliminate extravagance — resolve to save each day but don't delay the start.
