### ADJUDICATION NOTICE

PUBLIC NOTICE is hereby given that the Subscriber, Administrator of the Estate of Magnus Augustine deceased will attend the County Court of Lake County, at a term thereof to be holden at the Court House in Wau-kegan, in said County, on the first Monday of June next, 1923 when and where all persons having claims against said estate are notified and requested to present the same to said Court for adjudication.  
George Augustine, Administrator as aforesaid.  
Waukegan, Ill., February 28, 1923.  
E. M. Runyard, Attorney

### ADDITIONAL DEERFIELD

Mrs. E. B. Jordan will be hostess to the Woman's Missionary society of the Presbyterian church at her farm, south of town, Thursday afternoon, March 1st. A cafeteria luncheon will be served. Vehicles will leave the bank building at 12:30 p. m.  
The regular meeting of the Deer-field Men's club will be held Thurs-day evening, at eight o'clock, in the school assembly hall.  
The Royal Neighbors and Modern Woodmen will give a card party at Meyer's restaurant, Saturday evening.  
Miss Marion Landas has been very ill with the grippe, and unable to at-tend high school for several weeks.  
Three reels of thrilling motion picture will be shown in the Pres-terian church, Sunday evening by Mr. Simpson, representative of Near East Relief Work, in Chicago. The con-structive work being done for seven-teen thousand orphans quartered in former army barracks at Alexan-dropol, is vividly portrayed. The white clad children playing under the super-vision of their caretakers look like a yard of white chickens, from the distance. There is nothing grue-some about the pictures, but the oriental scenery equals the best edu-cational films shown at high class mo-tion picture houses.

The burning of Smyrna and the Turkish drive will also be shown in the picture.

The Rev. Martin L. Thomas will preach Sunday morning at 10:45 o'clock on "The Instinct of the Soul."

### COMMUNITY SERVICE

The organization of a U. S. Naval Reserve Force for Highland Park has been attracting a great many young men and men that were in the navy during the war. "Visions of the Fif-teen Days Cruise on the Great Lakes" seems to be the big topic of conversa-tion. They meet again next Monday night. A meeting of the board of directors will be held at the Center on next Monday evening. Tuesday and Thursday evenings the American-ization classes have the Center. We can still use another teacher for these classes. No special qualifications are necessary.  
Wednesday evening the Boys club will have their meeting. They are planning a big athletic program for the summer and any boy over sixteen is welcome to join this group. The social side of this club will mean a great deal to these boys.  
Friday evening The Leaders club will have a business meeting to be followed by some new games. This is a very active club for young people from the different churches. If your church is not represented you are missing something good and should see that at least two or more young people attend this club's meetings.  
Saturday evening the Jr. Boys club meets. They are now planning on hikes for the first warm Saturdays we have. They would be glad to have some man that is interested in boys drop in at these meetings.  
Mr. Walkup is now on a few one act plays for production to go given soon. Any one interested in this work should see him at the Center. This invitation is open to all the young and old as well.
