TALKS ON REFORM

(Continued from page 1) peal to the inner life of his hearers HIGHLAND PARK TRUST & and that from within must come the Time for Advance

"The question is earnestly being asked by some of our greatest minds and noblest hearts, men who stand in the front rank of christian living and civic righteousness, whether it is not high time for the church to I make a new spiritual advance and reseek the counsel of God for a new conquest of personal allegience, upon which, if necessary, we may build a righteous legislative program for the

tive enactments have outrun our zea for inner spiritual advances. We must extend the borders of our spiritual boundaries and heart conque to include the masses, around whom we are attempting to throw inhibitory laws, or we will soon perish beneath the crumbling walls of legis lative materials which we are daily grinding out. Inhibitory laws can only be effective as we keep step with

"Willingly or unwillingly, we have matters, whose zeal to reform the wisdom and the final results to be obtained may be open to doubt.

Negative Restrictions "We refer, not to the eighteenth amendment, upon which there should no difference of opinion, but raththe ordinary prerogatives of the clean living citizen and thereby give the impression our whole function in life consists in erecting fences upon which is written "Thou shalt not."

"Laws are to society that which brakes are to a car, and should never the end being the winning of the individual to an acceptation of Jesus Christ, whereby the individual will no longer need the restraint of the law. Laws are made to hold back the flood tide of iniquity and should never be made more effective if there is a be used to restrain the legitimate expression of the individual so long as no injury to society follows.

"We must do more earnest thinkgeneral plan. All these items go to- ing ourselves and not rubber-stamp IS GRANTED DIVORCE ward making an efficient school and necessarily mean greater expenditures of money. Schools everywhere the guise of the extension of the

No Other Way Possible

Some people feel that it is a wrong theory to provide public school facilities by voluntary subscriptions, that such needs should be taken care of by taxation. That undoubtedly would be better IF IT COULD BE DONE. But we are not dealing with a theory, We are confronted with a practical situation. If the Elm Place School is to get its auditorium now or in the near in the facilities of this excellent future, the money will HAVE to be raised by subscription, THERE IS NO OTHER WAY POSSIBLE
