

EASTER SUNDAY

The sentiment attached to Easter flowers carries with it the fondest of feelings—What could symbolize so much than a stately Lily in your Home on Easter morn? What more than Flowers could express the soulfulness of the great spring holiday, what better companionship for you and yours than alive growing plants covered with cheerful blossoms?—No longer do we consider them a luxury but rather a necessity for every Home and especially on Easter Sunday.

What is there to be more appreciated by "her"—mother, wife, sister or sweetheart than a few flowers for Easter—the purity of the Lily—the beauty of the Rose—the fragrance of the Sweet-pea—the daintiness of the Orchid—the wholesomeness of the Violet or the fragrant appeal of the Carnation?

What could brighten up the Home more than the lasting beauty of a plant of a Baby Rambler Rose, showy

Azalea, gorgeous Hydrangea or sweet Spiraea?—Will it really seem like Easter without a Lily in your Home? What better Messenger of spring to the sickroom or token of your thoughtfulness for those in sorrow than a pan of Golden Daffodils, smiling pink Tulips or sweet scented Lily of the Valley—What greater joy or happiness could you create for Easter with so little expense? How much more will Easter mean to those of your loved ones far away to be remembered by you with a few flowers—there are over 3000 Florists, members of the "Florists Telegraph Delivery" ready to fill your order given to us, let us do it for you, anywhere in the United States, Canada or Europe.

Come over if you can and inspect our display of Flowers, for many months we have worked and prepared for Easter week, a Flower show indeed, better than ever, nothing quite like it around Chicago.

Our Landscape Department is awfully busy just now but not too busy to assist you in whatever you wish to have done on your Home grounds. We like to offer you free suggestions on any and everything pertaining to Gardening—even submit free sketches. We carry the most complete assortment of hardy flowering plants in the middle west. Let us send you our descrip-
