Operations will be begun shortly on the construction of a new Theater in Highland Park, to be situated on Central avenue, on the lot east of Brand's studio. Plans and specifications are about completed and money necessary for the same has been provided.

The new theater will have 75 feet frontage by 200 feet deep, with stores and offices in front, and the building will be in every way modern in construction and equipment. Mr. Pearl has exclusive franchises in Highland Park for all the best films.

Mr. Pearl contemplates organizing a stock company and stock in the new theater project will be available. Those interested in the proposition may obtain further information by addressing
