GRACE M. E. CHURCH

William E. Grose, Pastor

Our Sunday school at 9:30 a. m. is an institution of real value, and the attendance and interest is always commendable. Be sure to come.

Preaching and all services always held on day-light saving time. Remember this.

There is always something interesting at the Epworth League service at 6:45 p. m.

Our people were pleased to hear Rev. W. E. Lanson of North Chicago, last Sunday morning. A week from next Sunday evening we are to have the pleasure of hearing his most excellent choir.

CHRISTIAN SCIENCE

Subject for next Sunday's Lesson sermon, "Doctrine of Atonement."

Services are held in this church every Sunday morning at 10:45, Sunday school meets at twelve o'clock and is open to pupils up to the age of 20 years. The Wednesday evening meeting, which includes testimonies of Christian Science healing, is at 8 o'clock.

You are cordially invited to make use of the reading room at 887 Central avenue, which is open every week day from nine o'clock in the morning until six o'clock in the evening and Sunday afternoons from two to six o'clock.

EBENEZER EVANGELICAL

"The Lord is in His holy temple, let all the earth keep silence before Him."

Sunday school at 9:45 a. m. in charge of Wm. Guyot.

Morning sermon at 11 o'clock.

Evening sermon at 7:30 o'clock.

Prayer meeting at 7:30 o'clock, Wednesday evening.

The Sunday school meets at 9:45 a. m. sharp. The primary department will meet again at the Y. W. C. A. rooms. There was a nice large gathering of the little folks last Sunday and Miss Olive Haelele with a full staff of teachers took care of them nicely. The other departments met in the auditorium and basement of the church. It was somewhat crowded but the work was splendidly taken care of and everybody was happy. The school is reorganized and prepared to do efficient work. Everybody welcome.

Preaching services at 11 a. m. and 7:30 p. m. by Rev. J. H. Keagle.

Prayer meeting every Wednesday evening.

We are glad for the interest shown in the work of the church. May we all continue in the wonderful work of spreading Christianity.

We invite all, who so desire, to come and worship with us.

H. M. Shadle, Minister

Y. W. C. A. NOTES

Farewell Party

The Friendship club tendered a farewell party to Miss Helen Henshell, one of their members, who left for her home in Wisconsin last week. The party was in the nature of a surprise and carried with it all the customary pleasure to both guest and hostesses. A very pretty bar pin was presented Miss Helen, who carries with her the best wishes of all her many friends in the Y. W. C. A.

Rummage Sale

The annual rummage sale of the Y. W. C. A. will be held Wednesday, Thursday, Friday and Saturday of next week, April 25, 26, 27, 28 in the building formerly owned by Mr. F. B. Green on the corner of Central avenue and Sheridan road. The sale will open at nine o'clock and close at 6 o'clock each day. Any one having contributions to make can send them to the Y. W. C. A. headquarters or call 675 and some one will call for them. If hats are sent a few days ahead of time so they can be retrimmed and freshened it will greatly help those having the sale in charge.

Club Meetings

The Aster club will meet Thursday evening at 8:00 o'clock. An important business meeting will precede the social.

The Friendship club will meet on Friday evening, all members are urged to be present.

Conference

Many members of the Y. W. C. A. board and the secretary are attending a Finance Conference in Chicago Thursday and Friday of this week, which convenes in the west side branch of the Y. W. C. A. at 101 So. Ashland avenue.

Firestone
 will not increase prices
 until May 1st

Firestone Prices on Fabric and Cord Passenger Car Tires and Tubes, also Solid and Pneumatic Truck Tires Will Advance May 1st

The postponement of this price revision is possible only because of our realization of the price danger in the British Crude Rubber Restriction Act which became effective November 1, 1922. We were fortunate in our rubber purchases before the Restriction Act increased the price of crude rubber 150%.

We have always endeavored to champion the cause of better made tires delivered at lowest cost to the tire user by economic manufacturing and distribution. And we are glad of the opportunity to give the car-owner the additional saving at this time.

Firestone Cords embody certain special processes which result in their producing mileage records, heretofore unheard-of in the industry. Among the more important of these superior methods are blending, tempering, air-bag cure and double gum-dipping.

Firestone Dealers are co-operating with us in our movement to supply your needs at present prices as long as their stock lasts and we have advised our dealers that we will supply them with additional tires this month only so far as our output will permit.

See the nearest Firestone Dealer. Purchase a set of these Gum-Dipped Cords. Prove for yourself their remarkable mileage advantages and easy riding qualities.
