The Highland Park Press

Published weekly by The Udell Printing Co. at Highland Park, Lake County, Illinois

Entered as second class matter March 1, 1911, at the post office at Highland Park, Illinois, under the Act of March 3, 1879.

NUMBER 10 THURSDAY, MAY 3, 1923

FOR PUBLIC INFORMATION

With a view to bringing to the public a clearer understanding of the conditions facing the railroads of the country and the marked interest which should be manifested by the public in their operation and everything pertaining thereto, the Chicago & North Western Railway company is issuing a series of advertising talks to its patrons and the public generally through the newspapers.

There has been in the past, and there is yet, a type of politician whose chief means of gaining public recognition among the uninformed masses is to flay the railroads and other corporations at every opportunity. To such demagogues much of the damage done public utilities in the past politically is due. Business usually suffers when politicians begin "messing things up," and the sooner the people learn the facts and form their own opinions instead of taking the word of the demagogue on any subject, the sooner both the people and the public utilities will get their dues and the more quickly they will learn to get along in harmony with each other without the interference of the low-brow politician-scandal-monger who believes his job chiefly depends upon how far he can mislead the public in regard to big business.

The good work done by the North Western Railway, in its very successful Safety First campaign and other projects to improve service and safeguard the public merit high praise, and its efforts to place the railroad's side of the political and economic situation clearly before the people should be given careful attention.

THE TIME IS NOW

Much has been said regarding the necessity of providing the Elm Place school with an adequate auditorium and the reasons therefor have been explained at length. There seems little left to be said as to the value and urgency of the proposition. The thing to be emphasized at present is that the auditorium should be built now. There are few who will deny that it is needed and that its benefit to the children and the community in general is beyond estimate.

Here is the nub of the situation. Unless the auditorium is built now, the probability is that it will be years before it can be erected, after all building operations on the site are completed and the psychological moment is passed. Now is the time to press this worthy cause, and the many public-spirited citizens who have been urging this plan for months are this week renewing their efforts to raise the total of subscriptions to the fund from the \$30,000 already obtained to the \$75,000 required to finance the auditorium. These workers are indefatigable in their interest and efforts to achieve success for the project. The people know that their ambition is a commendable one and that no plan which has for its object the better education of the rising generation should falter for lack of public support now when, perhaps more than before, the future of democracy, and perhaps civilization depends upon the proper education of the children.

The Elm Place auditorium project needs help, prompt and liberal. Citizens are urged to "go the limit" this week in behalf of this plan for wider educational opportunities and better facilities for public gatherings in this city. The time is NOW.

HOSPITAL AUXILIARY RECEIVES DONATIONS

FOR VARIOUS PURPOSES

Numerous Contributions Reported to Regular Funds of This Institution; How to Send Gifts

The Woman's Auxiliary of the Highland Park hospital has received donations to its various funds as follows:

From Mrs. Marshall E. Sampsell in memory of Mrs. Franklin Hussey, Mrs. O. H. Morgan, Mr. John Marshall, and Mrs. Frank R. McMullin. Contributions in memory of Mr. C. T. Boynton were received from Miss Olive Williams, head nurse at the hospital, Mr. and Mrs. R. T. E. Hastings, and Mr. Walter H. Baldwin. Another memorial gift of Mr. and Mrs. Baldwin was in honor of Mrs. Arthur J. Mason of Chicago. Mr. Richard Churchill sent a gift in memory of Mrs. William Wolf, mother of Mrs. Irving Steiglitz, and Mr. and Mrs. Leo Steele in conjunction with Mrs. H. H. Schuhmann, sent a memorial to Mr. Hirsch, father of Mrs. Hilborn. Mr. and Mrs. Leo Steele also sent a gift to the "Happy Day Fund" in celebration of little Barbara Steele's first birthday anniversary. The Misses Floyd sent a memorial gift in remembrance of the birthday of their sister, departed a year ago. There were a number of contributions in memory of Mrs. Van Schalk, the mother of Mr. Gerard Van Schalk. They were from Mr. and Mrs. W. H. Baldwin, Mr. and Mrs. R. T. Hastings, Mrs. John Hunton Harmon, and a larger contribution from Mrs. Mary M. Van Schalk, as well as from her two sons, Anthony Gerard and John M. Van Schalk, thus honoring their grandmother.

Attention is drawn to Mother's Day, May 13th. Could we honor our mothers more beautifully in any way,

than by sending a gift of money to the Hospital Auxiliary Fund? Surely no lovelier and worthier thing could be done.

All contributions to these funds should be directed to Miss Susie Cahn at the Moraine hotel, with instructions as to whom acknowledgement should be sent.

"For giving is living," the Angel said, "Go feed to the hungry, sweet Charity's bread." "And must I keep giving, again and again?" My selfish and querulous answer came. "Ah, no," said the Angel, piercing me through, "Just give till the Master stops giving to you."

BASEBALL PRACTICE GAME HERE SUNDAY

ELKS PLAY CHICAGO NINE

American Shamrocks to Meet Local Team; Season Opens Formally May 13; Good Prospects

The Elks baseball team will open their season next Sunday, May 6, with the American Shamrocks of Chicago. The game will be played here. The Elks team will consist of a combination of both the Elks and the Young Men's club teams of last year, and promises to be one that the Highland Park fans will be proud of.

Putting Ground in Shape At the present time the committee is working hard to resurface the diamond and get the grounds in shape for the game Sunday, which will be in the nature of a practice game so as to make it possible to round up the best possible team. The formal opening of the season is planned for Sunday, May 13.

The committee wishes to announce that it expects to use all local boys, in as far as possible, and to play all players, in order to have a team that will be well worth following. The usual admission price to all games this season will be charged, with special fees for children under 15, and smaller children accompanied by parents will be admitted free.

Asks Co-operation It is the wish of the committee to have the full co-operation of all of the fans of Highland Park and the committee will welcome any suggestions or recommendations for the betterment of any unsatisfactory conditions that exist on the grounds.

Sunday's game promises to be a good one, as the American Shamrocks have already had a couple of games, and the local boys will be playing together for the first time, but it will take a pretty strong team to win from the present local line-up, and the boys are going out to win every game.

WANT SCHEDULES IN BY MAY 5, AT LATEST

Assessor Urges Taxpayers to Return Blanks Filled Out at Once

Assessor James Duffy reports that tax schedules are not being returned as rapidly as desired. All should be in by May 1, but an extension of a few days will be given until May 5, by which time all schedules should be returned. Because of revaluation of property this year the assessor and his assistants are exceptionally busy, and those who have not yet returned schedules will confer a favor on these officials by filling out the blanks and returning them at once.

UNITED EVANGELICAL

Joseph Henry Keagle, pastor. Services for Sunday, May 6, 1923: Sunday school at 9:45. The school is well organized now with a place for all scholars of all ages. The primary department meets at the Y. W. C. A. rooms for the present. Your teachers will be there to meet you with splendid facilities to teach you. Morning sermon at 11 o'clock by the pastor. Evening song and sermon at 8:00 p. m. Please notice the change of time.
