Wedding Silver from Graves'

The Colfax Pattern
Sterling Silver Colonial Finish

The new "Colfax" pattern of table silver is simple of outline, with Colonial mouldings on both back and front, and is enriched with fine pearl and bead border and very delicate husks in the front panel.

The Colonial purity of this design will be as enduring as the sterling silver of which it is made.

It is the things hidden away in the motor, the transmission, and the rear axle, which account for the extremely low upkeep cost, and the long life, for which the Hupmobile is noted. Come in and learn what these "hidden things" are.

The News of

Sunset Terrace

5,000 Shrubs

Probably the largest single job of planting shrubs on the North Shore is now taking place at Sunset Terrace, a few blocks west of the depot on Central Avenue. 5,000 shrubs are going in to carry out further the general landscape scheme of this fine residence district. You will be interested in going over to Sunset Terrace and seeing this big planting job going on. The streets are laid out, all are gracefully winding, with wide parkways. Much is already finely wooded, and last fall fifteen year old elm trees were planted, so with the thousands of additional shrubs this property will measure up to Highland Park standards.

Another unusual and thoughtful guarantee is this. For five years at least Branigar Bros. agree to keep down all weeds and have grass cut on all vacant property. So in case any lots are not built on immediately or within five years, there will be no unsightly spot anywhere in Sunset Terrace.

\$9,100 Gift Money

It will hardly be probable that any part of Sunset Terrace will be vacant after another year. The \$9100.00 Cash Branigar Brothers Building Bonus Plan will stimulate building this summer, and every indication is that not only will all the better locations be quickly sold, but that Sunset Terrace will have many fine homes by fall.

It is estimated that by July 1, due to the scarcity of good North Shore residence property near transportation, Sunset Terrace lots at the present moderate prices will all be sold. The Branigar Brothers have been seeking more property to put on the market, but cannot find anything that measures up to Sunset Terrace in location, natural beauty, and surroundings. With the Community Golf Links on one side — the beautiful open view of Exmoor on the other, and in the distance the vista of the Skokie Valley, Sunset Terrace has an unusual beauty in surroundings.

The Building Bonus Plan

To fifteen people who have their own architect or builder erect their home in Sunset Terrace, \$9100.00 will be divided in a cash bonus among the 15 for building this summer. The main condition is that the homes be under roof by late summer or fall, and shall cost, each home, not less than \$8,000.00. The amount of each bonus depends on the cost of the home. The other conditions are simple, just preliminary steps toward the building of the house that insure a house under roof by fall.

It is expected that cellar work on some of these homes will be started by the 15th of this month. So watch for big building activity at Sunset Terrace. Lots are a real buy there now. The prices are moderate.

Two Special Plans

On May 20 the special 30 day discount for Highland Park folks ends, so not much time is left to make your choice of a building site or a lot for investment. The \$9100.00 Cash Bonus Plan is going over big. We expect all the bonuses in the \$12,000 class of homes will be taken by the end of this week. Telephone Highland Park 251, or go to Branigar Bros. Co., Highland Park, office at 705 Central Avenue, where you can get full information on the 30 day special discount plan and the \$9100.00 Branigar Bros. Building Bonus Plan. At the Chicago office of Branigar Bros. Co., 117 No. Dearborn St., Telephone Central 8147, complete details can be secured. If requested at either office, representative will call.

Next Week

Watch for news for next week. There's a big deal on for building in Sunset Terrace which will mean 150 homes there this summer. If it goes through, every lot in Highland Park will probably advance in price for such activity will make a fast market. Branigar Bros. will do all possible to keep prices at present low levels until June 1. After that, no one can tell what Sunset Terrace lots will bring.
