Daily Reports from the Shriners' Meeting in Washington

THE CHRISTIAN SCIENCE MONITOR will cover the sessions with special reporters, and carry illustrated stories daily. These will begin with the formal dedication of the "Zero Mile Stone," June 4, and run through to the account of the "Dance of the States" on June 8.

This national session is expected to be the largest Mystic Shrine meeting ever held, and these daily reports will furnish a record which many masons will enjoy reading and preserving.

The Monitor is on sale at many news stands and all Christian Science Reading Rooms throughout the world.

GRACE M. E. CHURCH

Next Sunday has for many years been known as Memorial Sunday. In keeping with the spirit and meaning of the day the present pastor of Grace church has always devoted one service to the memory of the deceased heroes of all wars of the nation. For next Sunday the Spanish War Veterans, American Legion and their auxiliaries have been invited to attend the evening service. It is hoped that all ex-service men and their families will attend this service. The music and address will be appropriate to the occasion.

Do not forget the regular morning service at 11:45. Make plans for Sunday to include the morning hour of worship. The remaining hours of the Sabbath day will be all the more pleasant if an hour is spent in worship.

On Saturday evening the North Shore sub-district rally of Epworth Leaguers will be held in Grace church. A brilliant program, including an address by the Rev. Logan Hall, pastor of Diversey Boulevard church, Chicago. Our young folks are anticipating an epoch-making event.

Of course you will enjoy the chicken dinner to be given by the Ladies Aid society Friday evening, May 25 in the Community Center rooms on Central Avenue. Service from 5:30 to 8 o'clock.

CHRISTIAN SCIENCE

Subject for next Sunday's Lesson Sermon, "Soul and Body."

Put a Warm Heart inside your furnace

Quick Economical Heat

with the Worthington Oil Burner

IN 30 minutes, from a cold boiler, you can have water boiling in your hot water or steam furnace—30 minutes after lighting your Worthington Oil Burner.

In 15 minutes, hot air will be circulating all over the house, if yours is a hot air furnace—just 15 minutes after the Worthington is started.

Compare this with coal—often it takes an hour and a half to get a "Head" of steam. Compare, also, the statements of Worthington users regarding their fuel bills before and after changing to the distillate-burning Worthington.

Then remember that with the Worthington Oil Burner you have no soot—no odor—no noise—no coal to shovel—no ashes to carry—even temperature all day long—clean walls and draperies.

More than 8,000 Worthington Burners are giving satisfactory heating service—many of them were installed five years ago. The Worthington fits any furnace and is economical to install.

It is time NOW to think of your heating plans. We will be glad to examine your furnace and floor, and make recommendations. There is no obligation to you. Call us on the telephone or write us today.
