RAVINIA TO OPEN SATURDAY, JUNE 23

"LA BOHEME" IS FEATURE

"Lohengrin" is Scheduled for the Second Night; List of Brilliant Artists Engaged for the Season

The Ravinia summer opera and concert season begins on Saturday evening, June 23, to continue ten weeks and three days, and indications are that the program which Mr. Eckstein is preparing to present this season will be by far the finest in the twelve years of brilliant artistic success which has marked his untiring efforts to give to Ravinia patrons the best that the musical world has to offer.

There is but one Ravinia. The world elsewhere has nothing like it, and that its magnificent successes have impressed the music-lovers of the world is shown by the thousands of letters already pouring in to the management inquiring regarding the coming season and indicating plans to attend.

Opening Feature

Present prospects are that the season will open with "La Boheme," which because of its ingratiating music, the opportunities it affords for acting, and the magnificence of its ensembles, is one of the most beloved of all operas now found in the standard repertoire. Mr. Eckstein has selected an all-star cast for this initial performance, with Elizabeth Rethberg appearing as Mimì, Giacomo Lauri Volpi as Rodolfo, Giuseppe Danise as Marcel, Virilio Lazzari as Colline, Margery Maxwell as Musetta, and Louis D'Angelo and Paola Ananian in other leading roles. Genaro Papi will conduct.

Second Night

The second night of the Ravinia season will witness a presentation of (Continued on Page 16)

CELEBRATE FIFTIETH ANNIVERSARY SUN.

Mr. and Mrs. Fred Cote, Married June 10, 1873, to Have Golden Wedding

Another Highland Park couple will have reached the fiftieth milestone of married life next Sunday, when Mr. and Mrs. Frederick Cote of First street will celebrate their Golden Wedding anniversary, the feature being a family reunion with their children and grandchildren present. During the day a reception will be held by the children for their parents at Sunset Park, where all relatives and friends are invited to join with them in felicitations.

Mr. and Mrs. Cote were united in marriage in Highland Park June 10, 1873, and have lived in this city ever since. They have made hosts of warm friends here who will extend congratulations next Sunday. Mr. Cote formerly was for many years engaged in the carpentry business and had a prominent part in the erection of many business and residence structures in this city from an early day. For some time he has been retired from active labor. Mrs. Cote of late has not been in good health.

There are five children, Henry Cote, Waukegan; Mrs. Leon Wells, Lake Forest, and Mrs. Jennie Hill, Mrs. Nellie Juhndren and Mrs. Emma McNeill, all of Highland Park. Seventeen grandchildren are living.

SON OF NATIONAL TEA HEAD INJURED

George Rasmussen, Jr., Hurdled From Bicycle by Auto; Leg Fractured

George Rasmussen, Jr., aged 15 years, son of George Rasmussen, president of the National Tea company, is in the Highland Park hospital suffering from a badly fractured right leg and other injuries, received about 6:30 Sunday evening, when he was hurled from his bicycle by a Wisconsin physician's automobile at the corner of Deerfield and Old Mill roads, northwest of Highland Park, and not far from the summer home of the boy's parents.

The boy was brought to the hospital, but did not recover consciousness until a couple of hours later, and in the meantime his parents, who knew nothing of the accident, were caused much anxiety regarding him. Later at the hospital he explained that in making the turn he had motioned to two or three other cars before he was struck by the one which caused his injuries.

The boy is well known in the Deerfield and Everett communities where his many young friends will be pleased to learn that he is recovering as well as could be expected.

LINCOLN SCHOOL P. T. A. ELECT NEW OFFICERS

Mrs. J. B. Garnett is President; Mendenhall Lecture Proves Interesting

It was indeed an enjoyable affair that was given Tuesday evening, June 5th, at the home of Miss Ruth Ewing in honor of the Lincoln School Parent-Teacher association. At the business session which preceded the program the members voted to spend the \$500.00 benefit fund (the surplus left in its treasury after all overhead expenses for the year had been paid) for a Printing Press and a Moving Picture Machine to be presented as a gift to the Lincoln school.

The association then elected the following officers for the season of 1923-24: Mrs. Joseph B. Garnett, president; Mrs. Everett Easton, vice-president; Mrs. Harvey W. Branigan, secretary; and Mrs. Harry Paul, treasurer. When the retiring president introduced the newly elected one and the members of her "cabinet", Mrs. Garnett made a happy little speech in response.

Miss Dorothy Wright, a visiting singer from Cleveland, a soprano of much artistry, sang a group of songs playing her own accompaniment—an art in itself and almost a lost one these days.

At the conclusion of the music, Mr. Clark G. Wright, superintendent and principal, gave a delightful introduction to Mr. Abram Mendenhall, an authority on Ceramic Art, who proceeded to entertain his many listeners with an interesting, informal talk on "Quality in English China". By way of illustration he showed some choice specimens of china from some of the most celebrated potters in England, specially loaned for the occasion. Opportunities for authoritative information on this subject are comparatively rare, and this talk was highly instructive and entertaining. He speaks with easy grace and flow of language and creates atmosphere and interest.

At the end of the lecture a surprising feature, not down on the program, was introduced by Mrs. Harry Paul, who made a beautiful speech and presented Miss Ewing, the retiring president, with an exquisite vase of Tiffany glass on behalf of the Lincoln school P. T. A. in appreciation of the work of her administration. Altogether it was a happy occasion enjoyed by about eighty members, both men and women.

BEACH STREET HOUSE LOOTED BY ROBBERS

Lindstrom Residence Robbed on Sunday While Family is Absent

The residence of John Lindstrom, Beach street, was robbed some time Sunday while the family were absent. The thieves seemed to have a varied taste, the loot including phonograph records, a monogrammed watch belonging to Mr. Lindstrom, other articles and about \$20 in cash. The robbers overlooked about \$500 or \$600 in fifty-dollar bills hidden in an old shoe. The Lindstroms returned about 9:30 Sunday evening and found a front window "jimmied" and the house ransacked. They called the police. The robbery must have been done in daylight, but, though other houses are close, nobody saw the burglars, as far as learned.

ISAAC GOLDBERG IS DEAD; OLD RESIDENT

AT RAVINIA ON JUNE 14 LEADING REALTY OWNER

Well Known Citizen and Former Merchant Victim of Pneumonia Sunday Night; Funeral Tuesday

Isaac Goldberg, retired merchant, well known resident of Highland Park for 40 years and owner of a number of business buildings and other realty in this city, died Sunday night at his home, 37 North Green Bay road, following a short illness of pneumonia. He was 75 years of age.

Mr. Goldberg was born in Posen, Germany, and came to Highland Park about 40 years ago. He was engaged in the mercantile business for 30 years, retiring ten years ago, since which time he devoted his time chiefly to his real estate, consisting largely of business blocks in this city.

His wife, Mrs. Dora Goldberg, died between five and six years ago, and of twelve children there are eleven living, as follows: Herman and Phillip Goldberg of Highland Park; Mrs. Belle Goldstein, Sacramento, Calif.; Harry, Benjamin and James Goldberg, Mrs. Anna Geozoft, Mrs. Clara Wolfe, Robert and Seymour Goldberg, all of Chicago. One son, Andrew is dead. There are 23 grandchildren and 23 great-grandchildren.

Mr. Goldberg was well known here and had many friends made during his long and useful life in the community and by whom his death is deeply regretted. He was one of the largest realty holders in Highland Park and during his long residence here wielded large influence in business and real estate lines.

The funeral was held in Chicago Tuesday morning and burial was in the Waldheim cemetery in that city.

FIRE AT HIGHWOOD DAMAGES RESIDENCE

Fire caused by sparks from a chimney, at 6 o'clock last evening, badly damaged a house on Prairie ave., Highwood, occupied by Fred Obee and owned by John P. Nelson. The loss is estimated at \$3,500, with insurance to cover. The interior of the house was badly gutted. With the assistance of neighbors most of the contents were removed. Both Mr. Obee and Mr. Nelson are laud in their praise of the aid given by the good people among whom they reside, but for whose help the loss would have been much greater, and they desire to express their appreciation through the Press for this assistance.

SENIOR CLASS PLAY ON TUESDAY NIGHT

"Monsieur Beaucaire" to be Given by Capable Cast at The Ravinia Theater

Indications are that the annual high school Senior Class play, to be given Tuesday evening, June 12, in the Ravinia theater, will be one of the best features of the kind ever seen here. The vehicle selected this year is the play adapted from Booth Tarkington's famous story, "Monsieur Beaucaire," and the cast has been carefully selected with a view to punch and humor, and the performers have been given thorough training for their parts, so that the presentation promises to be an excellent one. A large audience is assured.

PLAN TO CELEBRATE HIGHLAND PARK DAY

BUSINESS MEN'S MOVE

Name Clarence Witt General Chairman; Date in August to be Fixed; Other Matters Are Discussed

At a largely attended meeting of the Highland Park Business Mens association, in Witten hall Tuesday evening, it was decided to celebrate Highland Park Day in August, the date to be fixed later by the committee in charge, of which Vice-President Clarence Witt of the association was appointed general chairman and authorized to select his colleagues on the committee.

It was the general sentiment that the business men have charge of the arrangements for the annual celebration this year, and it is expected that they will be on a larger and more splendid scale than in any previous year.

Vote on Hotel Project

There was considerable discussion of the Cowie hotel project regarding which a petition has been in circulation among business men and citizens, and finally a ballot was taken which resulted favorably to the erection of a hotel on the 200-foot lot east of the Witten block on East Central avenue.

Complaint was made regarding taxi parking in North St. Johns avenue, especially in front of the North Shore station and also regarding truck and auto drivers turning by backing out of the alley just north of the station, and it was the opinion that an effort be made to have the ordinance in this respect rigidly enforced to prevent accidents at this point. It was reported that the North Shore line was willing to co-operate in the placing of "No Parking" signs.

Carnivals to be Barred

It was planned to take up with the states attorney the matter of the carnival nuisance always a summer pest, with a view of preventing location of these amusement affairs in proximity to the city. An ordinance bars them from invading the city but this business men declare, is not always sufficient to protect the city from the evils of their operation.

Two new firms were admitted to membership in the association. They are Fulsang & Roth, First street, and Moran Brothers, East Central avenue.
