

## The Correct Walking Shoe For Women

Perfect fitting—with a flexible arch that yields with every step—rubber heeled so that there shall be no jarring—an "Osteo-Tarsal" shoe will give you undreamed-of comfort. You will find a new delight in walking. Long standing will be less wearisome. And you will retain the light and graceful step of Youth.

As for style—to say that these restful shoes are typically "Queen Quality" in this important respect is sufficient assurance that you will find quite as much pleasure in their trimly smart good looks as in their velvety ease.
