NIPPERSINK LODGE EXCELLENT RESORT

Many Reservations Being Made by North Shore People; Fine Features

Many reservations are being made by North Shore people to spend their vacations at Nippersink Lodge, a unique summer and golf resort at Genoa Junction, Wis., 26 miles west of Kenosha. The popularity of Nippersink among North Shore residents seems to be because of its ideal location, which makes it easily accessible and yet secluded from the city.

Nippersink Lodge comprises some 900 acres located in the famous southern Wisconsin lake region, easily accessible by good roads and fast C. & N.-W. R. R. service, being the first stop on the Millionaire Special, Lake Geneva service. From the standpoint of natural charm, this tract of land is perhaps rivaled by none in its vicinity.

One of the big features of Nippersink is its 18-hole golf course, said to be one of the finest in the Middle West. The course covers 150 acres of rolling ground with natural hazards calling for all the skill of the game. The course is open to play at regular

green fees, or season memberships may be obtained.

In addition to golf, facilities for all popular sports are provided, even including trap shooting and saddle horses. Lakes Tombeau and Benedict furnish excellent fishing, bathing and boating. A playground equipped with open air gymnasium apparatus is maintained for the children.

In connection with the sports all the conveniences of a country club are found in the spacious club house overlooking Lake Tombeau. Here is provided locker rooms, shower baths, smoking rooms, ladies' rest room and lockers, and a large lounge.

Guests of Nippersink are accommodated in either the new 50-room Oakhaven, a perfectly appointed hotel, with rooms single or ensuite, with tub and shower baths, or private cottages of various sizes having running water, electric light, and screened porches.

Several people who have been up to Nippersink this season to play golf say it is the most complete resort of any in this part of the country.

The kids find trouble in expressing their ideas in the school declamations, but they encounter no difficulty at home while speaking the famous piece entitled, "Gimme suthin' t' eat!"
