### Make Your Summer Headquarters at a

## Southern Wisconsin Lake

You might make the expensive and exhausting journey to Maine or to Oregon and find no more lovely lakes and forests than are here within a short train-and-bus trip of home.

And having established yourself at a comfortable cottage or hotel at one of the many beautiful Southern Wisconsin lakes, you can vary your vacation pleasantly by making occasional outings by bus to other nearby lakes, lunching out of doors in new scenic beauties.

Southern Wisconsin offers everything that one expects of the perfect summer resort; an opportunity to rest and play in the open.

Busses meet limited trains at Kenosha, for Powers Lake, Twin Lakes and Lake Geneva.

### Y. W. C. A.

**Camping**  
The first group of campers for the Y. W. C. A. cottage at Druce lake left here last Thursday, part of them autoed over and others went by train.

It is a most beautiful spot with all the natural beauty left intact, dotted here and there with most attractive little brown bungalows.

Within the last two years a large screened in dining room has been built by the association camp which eliminates many of the former trying details in feeding the many campers that keep this place so popular.

Miss Ida Shaffer the director in charge is a most capable hostess having the welfare of each girl at heart carefully looking after the health and happiness of all—good wholesome

food is prepared at a nominal price and the camp is open to any girl or woman whether a member of the Y. W. C. A. or not.

The present group of campers consists of Mildred Zimmer, Florence McNeil, Leona Hinkle, Pauline Eilian, Ruth Moore, Margaret, Gertrude and Heldegard Sprangell, with Miss Clara Holland as chaperon.

### New Flag

The sunshine group of Girl Reserves gave a bunco party last fall the proceeds of which were used as the nucleus for a flag fund, this has this year been added to from time to time until a sufficient sum has been realized and a large new flag purchased to be used for ceremonial and national holidays.

Miss Henrietta Laing is the leader of this group of Girl Reserves.

Ex-Service Men  
The Aster club provided cake and ice cream Tuesday afternoon for twelve auto loads of ex-service men

brought from the Great Lakes hospital to the Y. W. C. A. cafeteria.

The Misses Emma Evans, Salome Brand and Ethel Hill were the hostesses representing the club in this most appreciated piece of work.

The Y. W. C. A. has undertaken the entertainment of these men every Tuesday afternoon as long as pleasant weather prevails. Other local organizations will be invited to assist later on.

### Mother's Club

The annual Mother's club picnic will be held Thursday, July 26th at Ravinia Park.

All Y. W. C. A. girls and their mothers are cordially invited to bring their dinners and enjoy the day in lovely Ravinia park. The children's program aside from the concert will afford ample entertainment.

Plenty of ice cream will be served free to the Y. W. C. A. picnickers, so come and have a good time. Take the 11:33 or 11:58 electric car.

### ADDITIONAL LOCAL

Mrs. S. Flint and daughter, Grace Arlene, who spent the past month at College Point, Texas, returned home Saturday.

A. W. Person and family spent the week-end at Watseka, Ill., visiting friends.

Mr. and Mrs. T. H. Decker and family are spending July and August at Long Lake.

Mr. and Mrs. M. Warner are returning today from Ypsilanti, Mich., and Detroit, Mich., where they visited relatives and friends for the past ten days. They attended Ypsilanti's 100th anniversary celebration, Mr. Warner's former home town.

Dr. Elmer C. File of Rochelle, Ill., a brother-in-law of Rev. J. H. Keagle, died very suddenly at his home last Saturday evening. The funeral was held on Tuesday, Rev. and Mrs. Keagle and daughter, Marion, attended the funeral.

The Misses Virginia and Belle McClean of Pasaic, N. J., who have been visiting Miss Margaret MacCaughy leave today for their summer home in Thousand Islands.

## OIL BURNER

No Electricity No Gas Necessary

Put a Warm Heart inside your furnace

The Worthington Oil Burner requires no electricity, and uses no gas except for convenience in starting. Many people in Highland Park, with motor driven oil burners, are using from \$10.00 to \$15.00 or more per month of gas and electricity. That would buy 150 gallons of distillate or oil that we burn. During March and April our burner in the store did not use more than that amount of oil in two weeks. They claim operating expenses for Worthington Burners in Kansas City as 10% less than coal. Be sure and look at our burner before considering any other type.

May be all right for the business girls to make themselves as attractive as possible, but they should not try to get their beauty sleep in the office.

The U. S. department of agriculture is making the annual air census. It would be necessary to go out on the automobile roads to get them all.
