BASKET PICNIC AT ARDEN SHORE JULY 20

North Shore Friends Given Opportunity to Inspect Camp at Lake Bluff Friday

The Arden Shore association will hold its annual basket picnic at the camp at Lake Bluff, July 20, at 12:30 o'clock. All friends of Arden Shore are cordially invited to come and bring their lunch, meet many old friends and join in the general good-fellowship of the day. Coffee will be provided by the camp.

This is one of the special times when North Shore people journey to this beautiful spot to see the improvements that have been made during the year and to enjoy the sight of the hundreds of mothers and children who are having the happiest time of their lives under the big trees, romping on the wide beach and splashing in the cool waters of Lake Michigan.

A very interesting feature of the day is furnished by the short talks given by the head of each department of the camp. Clever people they all are so enthusiastic over their work. They have lots of bright little stories to tell and alas! some pathetic ones also, which give the visitors an intimate picture of life in Boyville, in Cinderella Lodge, among the little convalescents, in Motherville and the Babyfold, and in all the

other places so full of joyous campers. Each director thinks her particular group is the best of all—has the prettiest babies or the brightest boys and girls—and much hilarity is provoked by the good natured rivalry among them.

It is always a delightful drive to Arden Shore and none the less this year although the stretch of Sheridan road from Lake Bluff to the camp is under construction and probably will be closed the day of the picnic. It is best for motorists to go to Five Points, which is on the Green Bay road, just a little north of Arden Shore. From there the road into the camp will be plainly marked.

Those preferring to go on the Milwaukee electric should take a local train to Arden Shore station. The train there at 12:15 and also the one following.

Mrs. Bruce MacLeish is hostess of the day and will be assisted by the
