## DEERFIELD HIGHWAY OPENING A SUCCESS

(Continued from page 1)

before me, and it is with this thought in mind that we welcome our Highland Park neighbors, in commemorating the opening of another link that brings us still closer together.

The opening of this road means a great deal to Deerfield, as it is now only about 10 or 12 minutes from Deerfield to a city whose transportation system is probably unexcelled.

With both steam and electric transportation so close to us, it is only natural that the people of Deerfield and surrounding territerritory will be brought more and more to Highland Park to take advantage of this and other conveniences. Among these are Deerfield-Shields high school, the Highland Park hospital, and as fine a beach as there is along the Lake Michigan shore.

These and many more things could be mentioned as attractions which Highland Park can boast of. Modern stores and the facilities for transacting all kinds of business, are more than a convenience, they are quite necessary.

Without business this road could not have been built. And Highland Park and Deerfield may feel grateful that this long needed highway has been completed.

Deerfield is very fortunate in being so closely linked to Highland Park as our water supply comes from the Highland Park system, and the quality of this is much better than the average water supply pumped from Lake Michigan. And we are very fortunate indeed to be able to secure this water.

And we are hoping that as Deerfield grows Highland Park will be able to care for our increasing

In behalf of Deerfield I am pleased to welcome you all, and hope that you may be with us often. The band played and the program was finished.

The remainder of the evening was ment, which had been prepared for this purpose and illuminated by hundreds of electric lights strung across the road. A very pleasant time was thus enjoyed by the large number which participated.

#### Great Success

The entire celebration was carried out as announced and proved a great success, the public spirit shown by the many who participated being a notable feature of the gathering, and all who attended were impressed with the neighborly feeling shown and the interest taken by the people of both cities and townships in the joint celebration.

Credit for the success of the affair is due the committees from both towns, the members of which spent considerable time and effort in the preparations. These committees were Romayne Stryker, Theodore Knaak and A. J. Ender, representing Deerfield; Paul L. Udell, William Reay and Charles I. Harbaugh, representing the city of Highland Park, and Frank Sheahen, Henry G. Winter and L. R. Rigdon, representing the Business Men's association.

Because of the unexpected large at-

tendance which exceeded the most optimistic previous estimate, many persons were unable to reach the scene of the opening ceremonies owing to lack of transportation. The four buses furnished by the North Shore Line did yeoman service in hauling Highland Park people to Deerfield, but 10 buses could hardly have handled the crowd, and the committee fully appreciates the efforts of the drivers of the buses furnished. The courtesy of the North Shore Line in providing these fine vehicles for the occasion also is greatly appreciated dren's Carnival, previously mentionby the committee, which takes this opportunity to thank heartily all who "Lohengrin," with Rethberg as Elsa. helped to make the celebration so successful, and the committee also regrets exceedingly that it was impossible to take everybody to the scene of the ceremonies.

#### \$219.04 CONTRIBUTED TO VOLUNTEERS OF AMERICA

#### Local Collection Is Successful; 25 School Children Earn **Prizes Saturday**

"Heart Day" receipts when checked up by Miss Gemma Lichtenstein and Miss Edna Mount, who took charge of the Volunteers of America heart tag day held here last Saturday, totaled the generous sum of \$219.04, Highland Park's gift to the destitute women with children in care of that institution. Every one connected with the enterprise was well pleased and grateful to all who in anyway contributed toward the day's success.

To the grade children must be given credit for the day's work. From early in the morning until late in the afternoon each of the 25 youngsters worked. At the close of the contest it was found that Clarice Fisher had won the first prize with \$21.72; Maxine Lichtenstein came in second with \$20.03; the third prize was won by Isadore Smith who had \$19.85; Ruth Drake received the fourth for her \$14.42; Katherine Croke had \$13.23 and Pauline Armentrout \$12.33 which entitled them to the last two prizes. All the others, were made happy with movie tickets to the children's "Temple of Joy."

## COUNCIL MAKES APPROPRIATIONS

ORDINANCE IS

At a regular session of the city council held Friday evening, July 13, the annual appropriation ordinance, carrying a total of \$214,788, for civic purposes for the ensuing year, was purposes for the ensuing year, was "FOR RENT" and "For Sale" Signs passed on motion of Commissioner ale at the Highland Park Press Office. Gourley. Resolutions were adopted originating local improvements including a system of paved streets in Ravinia Woods, and paying in Glentoe and Gray avenues.

were present. On motion of Commis- H. P. 73. sioner Gourley the building inspector FOR SALE—Pretty country home five and one half miles from Highland Park. Modern was authorized to issue a permit for house and buildings. Trees, shrubs, wondernue and Green Bay road.

Commissioner Card moved-tentative approval, subject to rounding of corhers at a radius of 30 feet, of a plat submitted by Earl W. Gsell, being a resubdivision of Lots 24 and 25 in Mc-Daniels subdivision.

The resolution providing for construction of a connected system of streets in Ravinia Woods was on motion repealed, this action being taken because the original estimate of cost was found insufficient. The improvement project was then reintroduced by a resolution originating against the paving of St. Johns avenue, Kincaid street, Comstock place, Briarwood place, Woodland avenue, Oakland avenue, Ashland avenue and Lambert Tree avenue, the new estimate of total cost being \$124,000. Pubspent in dancing on the new pave- lic hearing is set for Friday, July

> A resolution was adopted providing for the construction of pavements in Glenche avenue, from Lincoln avenue to Green Bay road, and in Gray avenue, from Ridgewood avenue to Glencoe avenue. The estimated cost is \$28,832. Public hearing is set for

An ordinance was adopted vacating dell place and Lakeside place Sheridan Highlands subdivision. resubdivision of this property has been made under the name of Lakeide Manor, and the vacating action was necessary to perfect title.

On motion the East Park board was requested to permit the city to erect pump house in the northwest corner of the Skokie field.

A request of property owners for a division of special assessment on Lot South Highland addition, title in hich is now in two individuals, was granted and the corporation counsel will file the necessary petition in coun-
