Services in the St. Paul's Evangelical church will be in English, Sunday, September 2.

Like Damp Matches?

Is your gasoline as powerful as a "SIZZER" fire-cracker? Does it burn with the half-hearted enthusiasm of a damp match?

If so you are not using the best the market affords.

LACO gasoline burns fast and completely, not in spurts. Every drop operates the motor and the exhaust on your car becomes unattached from your pocketbook.

USE LACO GASOLINE AND MOTOR OILS for a while and note the increased miles, the freedom from carbon, and the great improvement in the smooth running and "pickup" of your car. Uniform quality is bound to show up in the end.
