Linking "Service" and Satisfaction
 Since the advent of the motor car and the multitudinous ramifications of the automotive accessory establishments, the word, "Service" has come into a variety of interpretations.
 Life moves rapidly nowadays and too often some ideas of service are not linked with that sister-virtue—Satisfaction.
 Service and Satisfaction are inseparable servants of North Shore Gas Company Patron-Owners—Service in the unfailing supply of steady even fuel for the manifold purposes of the community—satisfaction in the possession of the excellent income from their dependable 7% Preferred Shares.
 If you, too, would know the satisfaction that is linked with the service of the North Shore Gas Company, call at your local gas office and learn how easy it is to become a Patron-Owner in this prosperous community-building organization.
 One share or a thousand—you are equally welcome in the ever-increasing family of North Shore Gas Company Patron-Owners.
