### APPLES

We are now picking the fruit from our orchard located one mile west of Highland Park.

The flavor of these apples is superior to any grown in western irrigated orchards and much better keepers.

We sort them as we pick them and barrel them in one handling.

We will discount the cost of storing them, if ordered now, for delivery direct from the orchard.

### Y. W. C. A.

Afternoon Tea  
The Governing Board of the Y. W. C. A. gave a tea Monday afternoon in honor of the captains and team workers in the campaign recently finished. The rooms were made attractive with profusions of autumn leaves and gorgeous fall flowers whose brilliant hues lightened the sombreness of the surroundings.

After singing some of the campaign songs, Mrs. Fred Clow, the faithful treasurer, gave a resume of the local Y. W. C. A. whose activities had developed making it necessary to seek larger and more permanent quarters. This resulted in the purchase of the building on Green Bay road and Central Avenue in October 1919, the final payment of which was made possible by the successful campaign just completed. At the close of this interesting talk the mortgage was burned in the presence of all and general rejoicing followed.

Getting Acquainted Party  
The Friendship club entertained Thursday evening, inviting many new girls and giving them a chance to become acquainted with each other and enjoy the hospitality of the Y. W. C. A. and the friendliness of the young women who compose the Friendship club. Their next meeting will be Thursday, October 25 and a cordial invitation is extended to any girl who is lonely to come to the Y. W. C. A. that evening.

Junior Girl Reserves  
The Junior Girl Reserves elected officers at their last meeting and started the winter work right. Margaret Sprangel was elected president, Gertrude Sprangel vice-president, Ruth Moore secretary and Elizabeth Richards treasurer.

Ex-Service Men  
The D. A. R.'s entertained about fifty ex-service men at the Y. W. C. A. cafeteria Tuesday afternoon, providing ice cream and cake. It is a privilege to have the opportunity of giving this pleasure to the men from the Observation hospital at the Great Lakes and one that is greatly appreciated by the men and those who are looking after their welfare. This work will be kept up until cold weather, different organizations assuming the responsibility for their refreshments.

Dancing Classes  
The dancing classes open Saturday morning, October 20 at nine o'clock in Witten hall. They will continue through out the morning until 12 o'clock. The Y. W. C. A. secretary will be on hand all morning to register those who enter the classes.

Americanization Class  
The Americanization class numbering twenty-two, met Monday evening at 8 o'clock. One more teacher is greatly needed as small classes are of greater advantage to the pupil. Any one willing to assist in this most appreciated work call up the Y. W. C. A. secretary, telephone 675. There are four young men in the class and a man is needed for work with them.

Blackboard  
Look over your attics and see if you can find an old blackboard which the children have discarded and which can be used in Americanization classes at the Y. W. C. A. If only loaned, it will be returned to the owner at the completion of the class next summer.

### 125 ENROLLED IN RELIGIOUS CLASSES

The Highland Park Council of Religious Education expresses its appreciation for the ready and cordial response with which the opening of its classes has been greeted. The enrollment which was taken on Monday was 125, and more children have enrolled on each of the days following. It is still not too late for pupils of the 5th, 6th, 7th and 8th grades at Elm Place to register.

### CAPT. O. H. MORGAN, PIONEER, IS CALLED

(Continued from page 1)

turn after an all day fishing excursion without a suggestion of fatigue. And this marvellous vitality disclosed itself in other ways. He always seemed to have the vision and freshness of youth in his conversation. He never bewailed the good old times; for his eyes were ever on the future. He never sought retirement and seclusion from the haunts of men; for he was always ready to play his full part in the work that had to be done. And through all that Captain Morgan said and did there was the inspiring note of a kindly insight, a genial friendliness and a wholesome optimism, for he was a man who lived out his days in the faith that the Christian God was in control. He has gone now in the physical sense. Spiritually, the beloved Captain has left rich memories and a priceless heritage. Highland Park will never forget him who gave it of his best as citizen, father and Christian for fifty years.

### WYANET NEW CHARGE OF REV. W. E. GROSE

Rev. W. E. Grose, pastor of the local Methodist Episcopal church for several years past, has been transferred by the conference to the M. E. church at Wyanet, in central Illinois, a larger church and better charge, in the estimation of the conference. Pastor Grose has won a host of warm friends in Highland Park and vicinity during his residence here and all deeply regret his departure but feel that the good minister deserves a bigger field. It is realized wherever he goes his work will be done faithfully and well, and his many friends here new home where they went this week. home where they went this week.
