DEERFIELD STARTS WINNER IN LEAGUE

WINS THE OPENING GAME

Defeats Riverside 14-9 Saturday At Harvey; Big Crowd and Band Accompany The Team There

Playing on a wet field, Deerfield-Shields defeated Riverside, at Harvey, last Saturday in the first Suburban-league game the local school has played this season. The score was 14 to 9. Dever, Dyer and Proctor were the high lights for the locals, and Guest of Riverside starred when he made an 85-yard run for a touchdown. Bradow also did good work for Riverside.

The Deerfield team and school band went to the game in two motor buses, and a number of other students and friends of the school made the trip by private cars. Among these were Principal Sandwick, George J. McBride, Joseph L. Proctor, Walter Cope and others. The Deerfield section of the stands was as well filled as the other side's, and their rooting put the Riverside yells in the shade effectively. All this shows great interest in the local team on the part of Deerfield-Shields people, and if a crowd like that will follow the team away from home on a rainy day, there is little danger of lack of support for the remainder of the season.

DEERFIELD LEADS HIGH SCHOOL GOLF

School Paper Says It Is Because All Players Learn Game as Caddies at Clubs

The second match of the three game series of the High School Suburban Golf league was called off on account of rain. Deerfield has a big lead of twenty-two strokes.

It is interesting to know why Deerfield always leads in golf, as explained in the last issue of the Blue and White, the school paper. Highland Park is a golfers paradise. Exmoor, Lake Shore, Bob-o-Link, and Northmoor are in Highland Park vicinity. Lake Forest has Onwentsia, Lake Bluff has Shore Acres, and Deerfield has Briergate. Caddies from all these clubs come to Deerfield, hence, we have the cream of the caddie golf players.

All our golf team are former caddies, have played golf from infancy, and have learned the game from the bottom up. Robert Stupple, the captain, comes from Exmoor, as does Russell Johnson; Dick Martin caddies at Lake Shore; Nafe Larson comes Bob-o-Link, and Al Johnson hails from Onwentsia. Of course individual merit is a part which cannot be overlooked.

Peter Stephani, 26-months-old son of Mr. and Mrs. Anton Stephani, of 1109 Adams street, North Chicago, was almost scalded to unconsciousness last week when he was pushed into a tub of boiling water by one of his older brothers.

JOE THE SHOE MAN

The Germans claim that they are about to blow up in a revolution. This is much like the young man who was going to suicide if his best girl did not marry him.

Claimed the old fashioned strap method should be used on the children, but perhaps the children are more likely to use it on the parents.
