Have Perfect Floors

Clean, Smooth, Sanitary and Beautiful

There is no reason for having dirty, worn, unsightly floors. Our "American Universal" Floor Surfacing Machine will clean out the ground-in dirt, take off stains, remove old varnish, wax or paint, smooth up the worn spots and make the old floor as good as new. Any kind of wood can be refinished same as when first put down.

New Floors Our Specialty
Newly laid floors are easily and quickly brought to a clean, smooth surface by our method. This relieves the builder or contractor of the undesirable and unsatisfactory job of "hand scraping."
No dirt or mess as our vacuum pan deposits all dirt in a bag.
Let us explain the method and quote you prices.

If prohibition makes people want to drink, then evidently the regulation of automobiles makes people want to speed. Great satisfaction is felt when the corporations are assessed heavy taxes which they immediately proceed to add to their prices. Cleveland makers sent Coolidge a tub of ice cream, encouraging little boys to be presidents. Subterranean disturbances in Hawaii have caused the surface of the Lake of Living Fire of the Kilauea volcano to drop 600 feet below the rim.
