

Gold Discovered in California in 1849

The Golden Band

Was first seen on the streets of Highland Park Dec. 6, 1923.

Through the efforts of J. A. McClory, who in the past seven years has given Golden Rule Taxi Service on the North Shore, we have inaugurated the Cab With the Golden Band to be known as the North Shore Cab Co. It will always be our endeavor to give the same high class service as in the past and with our added facilities assure you we are able to give you better service at meter rates than any company on the North Shore, and for your convenience we still give you the privilege of a charge account at flat rates.

BOY SCOUT PICTURE FEATURE SATURDAY

Fine Extra Attraction on The Program of H. P. Theater For Saturday

At the Highland Park theater an extra attraction in addition to the regular program is scheduled for Saturday, Dec. 22, when Benny Alexander and George Ovey appear in "The Yankee Spirit," a film made especially for the Boy Scouts. It is a picture that brings out the typical traits of the real, American boy, filled with splendid patriotic feeling and as interesting to parents as to children. No parent or child should miss this inspiring boy picture. Harry Carey in the "Miracle Baby" also is a program feature for Saturday.

Another fine picture for the children will be presented at this theater on Monday, Dec. 24, and for the matinee on this day the Highland Park theater management has invited the children of the Dorcas Home to be guests of the theater, which invitation has been accepted. The theater will provide automobiles for the children of the home both ways, and they undoubtedly will appreciate the kindness of the theater management.

Some of these folks who are so anxious to line up in front of the bars, would better look out that they don't get put behind them.
