"BOY OF MINE"
America's own great author, Booth Tarkington, wrote it especially for the screen; the man who gave us "Penrod and Sam," delivers another masterpiece with Ben Alexander, Henry Walthall, Irene Rich and Rockcliffe Fellowes.
The year's greatest human drama. Few pictures bring genuine tears—few pictures touch the inner heart—few pictures really portray actual life—but of all those that do, none come closer or touch you more than "Boy of Mine." Proudly we call it the greatest drama of real life the years have yet given us.
"Felix Cat" and News

And when they clash—!
Better see it and have a tasty entertainment-feast—a la heart.
