### CATHOLIC WOMAN'S CLUB ANNUAL LUNCHEON

Father E. J. Maginis Speaks at the Last Meeting of the Year

The North Shore Catholic Woman's League held its annual luncheon on Tuesday, May 6th at Skokie Country Club, Glencoe.

The speaker of the day Rev. Father E. J. Maginis counselled those present to "Hitch your wagon to a star." His very interesting talk opened up new thoughts and channels of endeavor to the league.

The guests of honor were Rev. Father Haarth Moderator of the League, Mrs. Albert O. Olsen Pres. of the Woman's Library Club of Glencoe and Mrs. W. L. Ballard Pres. of the Wilmette Catholic Woman's Club.

Mr. Paul Mallory sang two groups of songs in his usual pleasing manner and as always was a delight to his audience.

Mr. Mallory was accompanied on the piano by Miss Sylvia Barton.

This closed a very successful year for the League. Under the able leadership of the President Mrs. W. A. Kittermaster the Club has grown from a small one to a comparatively large club. The programs during the year have been unusually interesting and entertaining and the work accomplished by the Social Service Committee has been most gratifying and it is the ambition of the League to very much enlarge this department next year. A new addition of the League's many interests is the formation of a study class with Mrs. William Brown as Chairman. The League extends an invitation to the Catholic women of the community to join the organization.

### IS TIME TO RETURN YOUR TAX SCHEDULE

Assessor Urges Property Owners to Get Blanks Filled In and Filed

With the time limit for the return of tax schedules near, Assessor James Duffy reports many still not returned, and he warns that all must be in at the latest by May 15: Owners of dogs also are again notified that county dog tax must be paid to the assessor at once. If you have bought or sold property since the last assessment, better see the assessor and get your taxes properly adjusted according to the property you own. It will save you unnecessary trips to the county seat later in all probability.

### BENEFIT MUSICAL IS SUCCESSFUL AFFAIR

A very delightful musical program was rendered by the pupils and young friends of Miss Kathleen Payne on Saturday evening in Odd Fellows Hall. The affair was given for the benefit of Augustana Nursery, and both the hall and the services of the talented young people who took part was donated. The musical brought forth some of the very best talent in Highland Park, Highwood, Lake Forest and other neighboring towns. Miss Payne has been a resident of the North Shore for several years and is well known for her splendid work here. Mrs. W. E. Bletsch is to be complimented upon her work as chairman of the program.

### POST OFFICE ADDS MORE LOCKED BOXES

Ninety New Ones Installed For Convenience of Patrons Desiring Them

Addition of ninety new lock boxes to the Highland Park post office facilities will be welcomed by patrons, as the demand for some time has exceeded the supply of such boxes. The new ones have been installed and are ready for use, according to an announcement by Postmaster Schneider.

### IS LOCAL CHAIRMAN FOR TRAINING CAMP

P. E. Cole Seeking Young Men to Enroll for Summer at Camp Custer

City Building Inspector P. E. Cole has been appointed chairman for Highland Park for the Citizens Military Training Camp and is anxious to interest as many local young men as possible to enroll for the coming summer camp of the Sixth Corps Area at Camp Custer, Mich., for a four weeks' course.

The basic course is open to all men between the ages of 17 and 24, who are of good character, intelligence and physical condition. No educational qualifications are prescribed for the Basic Course, but each candidate must file a certificate of good character, signed by schoolmaster, clergyman, priest, or rabbi, together with medical testimony from a qualified physician as to hearing, eyesight, heart action, and a general physical condition adequately fitted for the course of training. No previous military training is required for attendance at this course. Candidates must be native born citizens, or if foreign born, must have made application at least for first papers of naturalization.

For the Red, White and Blue courses some military training is essential. The government will pay expenses of transportation, uniforms, food and medical care for those attending this camp. Enrollment implies no later service obligation for men in the Basic, Red or White courses.

### EXCURSION RATES FOR "ABIE'S IRISH ROSE"

Railroads Plan to Handle Large Parties for Play at the Studebaker

For the first time in Chicago theatrical history railroads coming into the Windy City are arranging to handle excursion parties to see "Abie's Irish Rose" at the Studebaker Theatre this summer. Special round trip rates will be given from points within a radius of 30 miles of Chicago.

There have been so many letters from out-of-town theatregoers who are anxious to see "Abie" that both the railroads and the show management believe it worth while to offer excursion tickets. The out-of-town patron will have a two-day stopover which will also permit him or her to stop and "see the town."

The excursion plan was first tried for theatre patrons by the New York Hippodrome. This worked effectively for many years and even now while that big theatre is playing vaudeville the country visitor is given half rate fares to visit the mammoth playhouse. It is believed those living near Chicago will take advantage of this plan.

Parties of 50 to 100 are given the excursion rate. The details of the plan will be definitely worked out in a few days.

In "Abie's Irish Rose," now in its sixth month at the Studebaker theatre, is a celebrated company and a gorgeous scenic production. In the cast are Joseph Greenwald as Solomon Levy; Stanley Price as "Abie"; Martha Kretz portrays the role of Rosemary; Mme. Lize Silbert as Mrs. Isaac Cohen; Harry Marks Stewart is Mr. Cohen; Tom Burrough plays the priest; Bertram Marburgh is the rab-
