GET MANY LETTERS
Pres. Lytton & Conductor Evans
Congratulated on Radio
Performance

President George Lytton and Conductor Clarence Evans of the Chicago Business Men's orchestra have received scores of letters complimenting the orchestra on its fine concert given Sunday, April 27, at the Edgewater Beach hotel and broadcast from W.G.N. station. The concert delighted thousands of radio fans, many of whom have sent congratulatory and appreciative messages. The Chicago Tribune radio critic commented as follows:

"Didn't suspect till from W.G.N. the symphony of tones by the Chicago Business Men's orchestra playing at the Edgewater Beach hotel, burst upon me—tones not hitherto approached in beauty, grandeur, and sublimity by any station to my recollection."

The old way to carry elections was to nominate some one nobody knew anything about, but that doesn't work as well as it used to.

A little brisk work is the best medicine for that tired feeling.

The one who can, makes good only when he is the one who does.
