Deerfield Bungalow Church

Tuesday evening of last week marks a never to be forgotten incident in the history of this church. It was the occasion of a "Grocery social" given by those interested to their pastor's family. A full line of all kinds of groceries and canned goods as well as meat and fresh vegetables graced the donation table.

On last Sunday morning Dutch Hedberg, the well known prison Evangelist spoke on conditions in his field and received substantial financial support from the Evangelical (Bungalow) Church for his work.

On last Sunday evening the Evangelical (Bungalow) church was filled and many have declared the service a splendid one indeed. George Beckman's two solos were of the usual pleasing note. The orchestra added their regular and splendid inspiration. All of this was followed by a "film slide lecture" showing one hundred and five pictures on the screen of the recent trip of Rev. Stake-miller and party through the Cumberland Mts. A splendid offering was received for the Evangelical mission work located at Beverly, Kentucky, which was one of the points visited by the party.

The date for the opening of the vacation school to be held in the Evangelical (Bungalow) church is set for July 7. This school is to be in session three days a week for five weeks.

When All Others Have Failed COME TO US

When a property owner wishes to sell his real estate, he wants quick action as a rule. The best way to get results is for him to list his property with a reputable and energetic realtor with an exclusive contract.

We, knowing that we are protected in our efforts to sell property, will devote every possible energy for making a sale. We will spend money advertising the property which we would not do if other brokers had the property for sale. The chances for a satisfactory and prompt sale are obviously much greater under an exclusive contract.

This system gives quick results without costing the property owner one cent more than the regular sales commission.
