HAS NATIVE "SPUD" FIFTY YEARS OLD Mrs. J. M. Dawson Possesses Potato Raised Here in Early Seventies Mrs. John M. Dawson of Highland Park has without doubt the oldest native potato to be found on the North Shore. She has had it half a century. It is dried and shrivelled to one-fourth its original size, but that it was once a large, healthy tuber is plainly evident. Fifty years ago, Mrs. Dawson, who was then Miss May Pennell, was visiting a neighbor here, Mrs. Nicholas Rechtenwald, and noticed this potato which was a long one and had a sort of knob at either end and Rechtenwald gave the little girl the tuber, and the latter has preserved it ever since. It is an interesting relic of the "spuds" produced in Highland Park in the nineteenth century. Has anybody else any fruit or vegetable product of local gardens that will anywhere nearly compare in age with Mrs. Dawson's potato?

GRAEME PLAYERS TO PICNIC HERE SUNDAY To Hold Outing On D. J. Driscoll Grounds Aug. 17; Plan Many Features On Sunday, August 17th, the Graeme players of Chicago, will hold their annual picnic in the old apple orchard of the D. J. Driscoll home at 16 Hickory street. This is the popular players' first visit to Highland Park. A program of old-fashioned races, games and dances is planned to entertain the actors. LEGION AUXILIARY ENTERTAINS VETS The ladies Auxiliary of the American Legion entertained army war veterans who are patients at Great Lakes station at a birthday party last Thursday afternoon. All patients whose birthday's came in August were invited to the party. Each man was given a gift, and delicious refreshments were served. Two large birthday cakes were served.

NORTHBROOK NEWS Northbrook Presbyterian Church The Sunday School picnic of the congregation will be held Saturday afternoon of this week at Theis Grove, from two-thirty until seven-thirty. An enjoyable program for all present is assured by the committee headed by Miss Ethel Kiest. The adult members of the congregation are expected to appear by supper time. The ceremony of laying the corner stone of the new building will take place Sunday afternoon next, at three o'clock, at the church site. The ritual of the Presbyterian church will be used, and a sealed metal box will be placed within the stone for the benefit of the church a few years hence, when they will find it necessary to build in a larger way. Visiting ministers from the Presbytery will have a part in the program. Friends from nearby churches are cordially invited. The play, "Mother Mine," which has been in rehearsal for several weeks, will be put on at the school auditorium on the evening of August 28. The cast includes twelve members of the congregation, and the play is as full of action as any yet given in the same place. This is for the financial benefit of the church building fund. The Sunday evening gatherings in the auditorium have been well attended, when compared with attendance in many larger churches of this section. This has been due partly to the use by the Pastor, Rev. Frederick A. Hatch, of lantern slides illustrating the work of the Presbyterian church in other lands as well as in our own. These talks will be continued during August.

St. Peter's Evangelical Church Sunday school 9:00 standard time. Adult Bible class 9:15. English services 10:15. Rev. A. H. Bizer, Pastor.

Mr. Pete Kotz and his lady friend, his mother and her daughter, Mrs. John Hassel, and little Dorothy motored to Fox Lake, last Sunday. Mrs. Edward Zeuschel of Wilmette and her three daughters, Mrs. LeRoy Caldwell, Pearl and Margaret visited Mrs. Chas. Kotz Tuesday afternoon. Mrs. Kotz visited her sister, Mrs. Wagner at Kenilworth Monday. Miss Vera O'Connell was hostess to the members of the 500 club on Thursday, Aug. 7. After the usual game of cards, Mrs. O'Connell served luncheon for her guests. The prize-winners were Mrs. R. Lauer, 1st; Mrs. Henry Glos, 2nd, and Mrs. N. Carstensen, 3rd. The next party will be at Mrs. J. Lorenzen's Aug. 28. The St. Norbert's Ladies Aid will give a luncheon party Aug. 17. Everybody welcome. Mrs. Dorothy Schick and children enjoyed Monday at Lincoln park. Mrs. A. Nielsen has as week end guest Mrs. Ritter and daughter from Iowa. They have been "old country" friends. Mrs. Henry Gore is home from the Evanston hospital where she has been for over two weeks. Mr. and Mrs. Earl Kinley and Mr. and Mrs. Henry Therrien motored to Wheeling to see the high water. Mrs. Arthur Therrien, who has been very sick, is reported much improved. Mrs. Alma Moeller and children are enjoying a few days on a farm in Appleton, Wis. Mr. and Mrs. Herman Meier have returned from their motor trip to Fond du Lac, Wis., where they visited relatives. Walter Dospfel of Muskegon is staying with the Oberacher family. The storm has done thousands of dollars of damage. It has blown down 28 sections of kiln shed, and an electric crane operator, Ed Delorier, had to jump for his life. Other men were also in great danger at the top of the kilns. There is so much water that they were unable to make bricks for several days.

COMMUNITY DANCES ARE WELL ATTENDED Duffy's orchestra continues in popularity at the community dances of the Highland Park Woman's club. Large crowds attend each Thursday evening, and enjoy the opportunity of dancing in this new building under the best of environments. Patrons and patronesses for tonight are Mr. and Mrs. E. J. Shay and Mr. and Mrs. Frank Wilhelm. ROBBERY SUSPECTS BIG BOND REFUSED New Charge Made and Warrants Issued for Joseph Newton Alleged Bandit Attempts to obtain the release of Joseph Newton, alleged to be a member of the \$2,000,000 Roundout mail robbery gang, on a \$400,000 real estate bond failed Saturday, when postoffice inspectors, learning of the move, appeared before United States Commissioner Henry C. Beidler in Chicago and procured a warrant for the arrest of the prisoner on a new charge growing out of his indictment in Texas for the robbery of a Kansas City Southern railroad train in 1921. Warrants were taken at the same time for Willis and William Newton, brothers of Joseph Newton, who are also under arrest in connection with the Roundout robbery.

N. S. F. In bank language that means "not sufficient funds." It means that a check has been returned to the payee because the depositor did not have enough money in his account to cover it. Returned checks cause a great deal of trouble and embarrassment. They are a reflection on the credit standing of the makers. Make it a rule never to write a check unless there is enough money on deposit to your credit to take care of the check when presented for payment. Highland Park State Bank

latest and most improved type, with facilities for increasing, lessening, altering in volume and colorings through concealed illuminating facilities. The decorations will be handsome and in keeping with the character of the building, and the entire auditorium promises to be a work of art as well as one of the most convenient and practical structures of the kind, an addition to the facilities of Deerfield-Shields high school that will greatly enhance its already splendid reputation as one of the most completely equipped and most efficiently conducted high schools in Illinois. To Raise Tennis Courts It is planned to raise the level of the tennis courts to the north of the new building to eliminate dampness. The courts were originally constructed on a level below the level of the surrounding ground, with a view to making a skating pond in winter, but because it was found impossible to keep therein a supply of water sufficient for the purpose, the pond did not materialize. Hence, to keep the tennis courts dry at all times the level will be raised under the plans now before the board of education. REAL ESTATE TRANSFERS T. Mooney and wf to Mrs. Catherine Smith QCD \$50.
