ELKS WIN IN EXTRA INNINGS GAME, 3-2

DEFEAT COMMISSION MEN

Hessler Scores Winning Run In Thirteenth; Score Tied in Ninth; Good Game Next Sunday

By A. S. Fell In the first 13-inning ball game to be played on Elks' field, the Elks won, 3 to 2, last Sunday over the Commission Drivers' team.

It was a nip and tuck affair. The Commission Drivers were a strong team and put up a game battle. They will play here again a week from Sunday to try to avenge this defeat.

The Commission Drivers scored their first run in the first inning on a walk and two hits. After that inning Hessler could not be touched. Hess had things his own way. The other run they made in the seventh on errors by F. Glader, Johnson, and Stallman.

M. Rudolph first man up in the third inning doubled, advanced to third on Johnson's sacrifice and came home on Hessler's long fly.

Going into the ninth with one run behind, things looked bad for the Elks. F. Glader and Little grounded out. With two down, Werner doubled and came in on Stallman's long drive to the fence, tying the score. Sullivan grounded out to end the inning.

All the Commission Drivers could do in the extra four innings was to get a man to third.

Hessler Hits The Elks in the 13th won after two down. Hessler singled and came in on F. Glader's triple in one of the most thrilling finishes ever seen on Elks' Field.

The game was played fast and clean. The large audience was pleased with the ball game and next Sunday a larger crowd is expected.

Next Sunday

Next Sunday the West Side Sportsmen will play here. Blackburne, their pitcher, has won 18 games, among them defeating the Al Chicago. Last Sunday they beat the Pirates, 17 to 6, a team which the Elks trimmed, 1 to 0. The West Side Sportsmen bring with them a large crowd and teams of the calibre of the Elks and Sportsmen should have a large crowd.

CHICAGO YOUTH IS JUNIOR GOLF CHAMP

Eldridge Robinson Wins Tournament Last Week at The Briergate Club

Eldridge Robinson of the Southmoor club of Chicago won the Western Junior championship, defeating Donald Carriek, the young Hercules of Toronto, 3 and 2, in the thirty-six hole final at the Briergate Golf Club last week.

Uncle Sam's bantamweight representative turned back the Canadian invader by superior and headier golf. Carriek lacked a good pitch shot, and at least half a dozen times pushed his ball over the green when a back spin shot was essential for a win or a half. Despite this weakness, it would have been a closer match except for the accurate putting of Robinson in the afternoon. He made few mistakes and had only two 3 put greens in the second half.

DRAMATICS SATURDAY AT RAVINIA HOME

To Present Plays at Home of Lionel Robertson; Many Local People Participate

Saturday evening, two one-act plays will be presented at the summer home of Mr. Lionel Robertson and his daughter, Miss Charlotte Robertson, in Ravinia. There is no real motive connected with the giving of these plays, they are merely given by an interested group for the real pleasure of it. The plays to be given are "The Marriage Gown" and "Where Do We Go from Here?"

Some of these active young people are reminded that there is a difference between a dance and a wrestling contest.

Insurance or Charity?

Many of the sufferers from the recent tornado in northern Ohio carried fire insurance and thought they were safe from loss.

Unfortunately they now realize that their fire policies did not cover tornado losses. Thus many of them have become the unwilling wards of a generous public to which an appeal for relief is now being made.

This would have been unnecessary had the property owners carried complete protection, which means independence from every kind of loss.

If you are without tornado insurance we can furnish it at a very low cost.

FOOD FOR THOUGHT

It requires 1900 cubic feet of air to burn one gallon of oil! The Kleen-Heet motor and blower unit measures out and delivers that amount of air. The result is perfect combustion.

Don't be led to believe that you can burn oil, relying on flue draft alone. If you do, you are going to have a costly and sad experience. Invest in a Scientific and reliable Automatic Oil Burner—the
