Patrons are urged to be in their seats Monday evening not later than 8:15, as the program is a lengthy one and will consume the entire time, with but brief intermission. The opera special to Chicago must leave on schedule, 10:55, on account of expected heavy Labor day traffic.

The program for the remainder of this week and Sunday and Monday afternoon and evening is as follows: Remaining Programs Thursday, August 28—Afternoon children's program will be a music memory contest. The orchestra will play short passages from ten of the compositions that have been presented during the season, and the children will give the name of the compositions and the composers and their nationalities. The orchestra will also play two numbers which have received the greatest number of votes from the children. Following intermission there will be dancing by the pupils of Mildred Joyce Adams.

PRAIRIE AVENUE IS OPEN TO THE PUBLIC

Prairie ave. is now open from Highwood west to Waukegan road. The paving work is completed and another good cement highway is ready for use in this section, affording marked improvement in transportation for the people residing in that district and the public generally. This road is perhaps better known as the Half Day road.

BALDING OPENS NEW PLUMBING BUSINESS

Edward Balding, who was associated with Fred Schaefer in the plumbing business for the past 12 years, is opening a business of his own in Highwood, at the corner of Elm street and Burtis avenue, where he will conduct an up-to-date plumbing and accessory shop. Mr. Balding has had long experience in this line and undoubtedly will be able to give his patrons the best of service.

HOSPITAL BENEFIT BRIDGE PARTY HELD

Monday at Moraine and Proceeds Expected to Be Up to Record

Fifty tables of bridge and Mah Jongg were in play at the Moraine hotel on Monday afternoon. The affair was managed by the officers of the Woman's Auxiliary of the Highland Park hospital, which was the beneficiary of the afternoon. Returns are still coming in and it is thought that the amount will equal that of former years. This will be used in charitable work of the auxiliary of the hospital.

Every one was delighted with the generous assistance of Mr. Cushing, who gave the use of his attractive rooms and porches and did his utmost to insure to his guests a comfortable and pleasant afternoon. He also donated the punch served.

Special mention must be made of the floral decorations, which were superbly arranged by Mrs. W. R. Ruffner. Mrs. Ruffner collected all the flowers and later sent them to the hospital. The Auxiliary is deeply indebted to the Highland Park Press for printing cards and for space in news columns. The committee of young ladies under the capable management of Miss Caroline Schofield assisted by Mrs. J. McGregor Adams and Mrs. D. S. Boynton at the tea-table. The candy was generously donated by Mr. Robert Pense and the Earl W. Gell company. For the tables, chairs and the hauling, the Auxiliary is indebted to the H. M. Prior company. Prizes were given each table, new cards being donated by Mr. George Lytton.

TWENTY-TWO PAGES IN TODAY'S ISSUE

Press Large This Week; Advertisers Enlarge Space; Sign Of Good Business

Attention is called to the fact that the Press of this week contains 22 pages crammed with interesting reading and advertising matter. This is one of the largest issues in the history of this newspaper and is made possible by the liberal advertising patronage accorded.

Among the large advertisements are those of J. B. Garnett on new goods for school children's outfitting, etc., the Lake County Fair, two large legal notices from the City of Highland Park regarding important improvements, the automobile ad of the Cadillac company, the North Shore Line, the Public service company, the North Shore Gas company, Krenn & Dato's publicity regarding their new subdivision and the interesting announcements and general advertising by many other lines of business, local or with local branches.

It is an issue of which Highland Park has reason to be proud as well as the Udell Printing company, as it indicates the live, progressive and down-to-date condition of local business institutions and their belief in advertising to let the public know where its needs can be satisfied.

MAYOR SUBJECT OF MAGAZINE ARTICLE

In the September number of the American Magazine is an article on the career of Highland Park's good mayor, Samuel M. Hastings, president of the Dayton Scales company, a concern with a world-wide business largely built up through the efforts of its president. The article tells of Mayor Hastings' boyhood and early struggles, his experiences as a clerk and as a small town merchant in all of which he was successful, saving money and forging ahead always to bigger and better things because he had the faculty of putting his experiences to good use.

It is an absorbing history of the growth and success in business life of a regular American from small beginnings to the head of a great corporation, and it emphasizes the value of these splendid faculties and sterling qualities which all Highland Park has learned to appreciate in this story of executive. Reading of this story will increase the high esteem of our citizens for the man whom they have honored with three terms as head of our city, for the welfare of which his notable business ability has been so freely exerted and with such splendid results.

CHAIN CARD PARTIES ARE GREAT SUCCESS

The chain card parties given at the Highland Park Woman's club every Wednesday afternoon at 2:30 o'clock are becoming more popular each week. All ladies of Highland Park are invited. Many have entertained their friends at cards at these parties without any effort or work for themselves. It is hoped the members and their friends will take advantage and come for a good time.

PLAN MEMORIAL TO VETERANS OF WAR

GET CONSENT OF COUNCIL

Proposed Monument to be Placed in Memorial Park and Will Be Artistic; Backed By Ossoli Club

Proposed plans for a suitable memorial to be erected in Memorial park to Highland Park veterans of the World war were approved by the city council at its regular meeting last Friday evening, and permission for its erection in the park was granted. The council, on motion, also voted to appropriate \$10,000 in the 1925 appropriation bill as the city contribution to the memorial, the cost of which, it is estimated, will be in the neighborhood of \$15,000.

The memorial plan, funds for which are to be raised by subscription through the efforts of the Ossoli club of this city, the originator of the idea, was presented to the council by Mrs. J. F. Mackenzie. It provides for the erection of a suitable monument with artistic accessories which promises to be wholly adequate to the purpose. On motion of Commissioner Card Mrs. Mackenzie was appointed a committee of one to represent the city's interest in the erection of the memorial. Further details and plans, which are being prepared by a New York firm of architects, will be printed later in the Press.

Enforce Parking Limit

On motion of Commissioner Card the police department was instructed to enforce the time limit of 60 minutes for parking of automobiles in Central avenue, between St. Johns avenue and Sheridan road. The purpose of this is to eliminate congestion and to afford all motorists equal privilege in this section.

Improvement Board

The board of local improvements also met Friday evening and much important business was advanced. A resolution was adopted that the original plan be adhered to in the proposed installation of water main in Deerfield road, Deerfield place, Lawrence avenue, Division street, Goff avenue, Deerfield court, Skokie road, Western avenue, Blodgett place and Deerfield avenue, and the corporation counsel was instructed to prepare an

CHAMPIONSHIP PLAY AT PARK DIST. CLUB

"Sonny" Rouse and J. Gantor To Meet in Finals Sunday; Other Matches At the Park District Golf club 18 holes will be played Sunday to qualify for the annual club championship. This is open to members only. It is hoped there will be as much interest shown in this tournament as there was in the last one, in which there were over sixty entries. Jack Peterson, last year's champion, will be on hand to defend his title, and from all indications he will have plenty of competition.

The finals of the Highland Park open will be played Sunday between "Sonny" Rouse, present champion, and John Gantor, the pride of the North Shore line. It will be a 36-hole affair, and it promises to be a very good match as they are both going fine, and the one who gets the breaks will win. The second fight will be between George Martin and Walker Flinn, old-time rivals, and this, like the championship fight, will be very close. The finals of the third fight were played last Sunday and were won by Mr. L. B. Nay from Les Stanger, 2 up.

MOOSE CELEBRATION LABOR DAY PROGRAM

FESTIVAL OF 12 MONTHS

Special Feature by Playground Children; Races, Talks and Other Events; Promise Good Time

The annual celebration of the Highland Park Moose lodge, to be held on Labor day, Monday, Sept. 1, in Sunset Wood, promises to be the biggest feature of the kind ever staged here by the Moose. A splendid program has been prepared for the occasion, and the officials and members of the lodge are working hard to make the celebration a success. It has been widely predicted that there would be no summer this year, but the Moose have inside information on the weather and are led to believe that real summer weather will begin on Labor day—Moose day.

Interesting Program

Many interesting features have been planned for the day, and the excellent program is announced as follows: 1:30 p. m.—Children's races for suitable prizes; also races for the grown-ups. 2:30 to 3:30—Festival of the Twelve Months, to be given by the playground children under the direction of Miss Daniel, their supervisor. This feature will close the playground work for the season.

Pleasing Feature

This promises to be an exceptionally interesting pageant, with the outstanding date or feature of each month of the year especially portrayed, such as Independence day for July, Armistice day for November, St. Patrick's day for March, etc., throughout the 12 months.

The Playground Boys Toy Symphony orchestra will play several selections. This orchestra includes about 15 members who are making fine progress in this work and are worth hearing. The festival as a whole promises to be interesting and spectacular.

4:00—Special address by J. Willis Pierson, past supreme dictator, from Moosehead. 5:00—Indoor-outdoor baseball game between the Highland Park and Waukegan Moose lodge teams. 5:00 to 12:00—Dancing with music by Callahan's orchestra from Waukegan.

Additional Features Many additional entertainment features will be provided on the grounds, a special feature being the giving away of a Ford sedan, which opportunity undoubtedly will interest everybody. Waukegan Moose lodge members, about 600 of them, are expected to be present during the day. Ample refreshments will be provided, and the most approved precautions will be taken to eliminate the mosquito pest, so that the comfort and safety of the public may be assured.

LOCAL SCHOOLS TO OPEN ON SEPT. 8th.

Highland Park schools will open on Monday, Sept. 8. This includes the high school, as well as the Elm Place and Lincoln schools. Heretofore the high school has opened the day after Labor day, but this year to conform with the others and in order that parents may not be inconvenienced, especially those who otherwise would remain at their summer homes a week longer, the date of opening has been made uniform.

MASONIC PICNIC SUCCESSFUL AFFAIR

The Masonic picnic held in Sunset Park Wednesday afternoon and evening under the auspices of the Eastern Star and Masonic Lodges was a great success. There was a large attendance and though the mosquitoes were very bad in the afternoon and evening they were not so noticeable later. A fine orchestra furnished the music for the dancing in the evening. The diamond ring was awarded to Arnold Peterson.

SOCIETA MODENESE PICNIC ON SUNDAY

A picnic and grand outing will be given by the Societa Modenese at Sheahan's grove, on Sunday, Aug. 31. There will be dancing, good music and plenty of other amusement and entertainment features. In case of rain the outing will be postponed until the following Sunday. Everybody is welcome and a good time is assured all who attend.

COMMUNITY DANCE AT RAVINIA SATURDAY EVE

Annual Affair to Benefit Ravinia School; Expect Successful and Pleasant Time

On Saturday evening, August 30, the Woman's Civic club of Ravinia will give their annual street dance for the benefit of the Ravinia school. The dance, which will begin about 8:00 o'clock, will be conducted in front of the school house on Kincaid avenue. In case of rain the festivities will take place in the Village hall.

A five-piece orchestra from the Tom Brown Music store, Chicago, will furnish very good music. Among the attractions there will be the usual ice cream and other refreshments and also colored confetti. There will be an organ-grinder with a monkey, an accordion player, and other surprises. If you attend the dance, you will not miss these novelties.

Mayor Hastings has been invited as the guest of honor for the evening, and it is hoped that he will be present. The grand opera stars have, according to the custom of the Civic club, been invited, and it is expected that many of them will attend in costume. There will be a grand march, and a prize awarded to the most artistic costume.

The public is invited to attend this dance. This includes all Highland Parkers. As the ladies give their dance each year for no business reason, they feel that they want everybody in the community to be present. The support of each and every person in Ravinia and Highland Park is requested.

DEFENSE DAY WILL BE OBSERVED HERE

Plans for Program Appropriate To Occasion are Reported Under Way Defense Day, September 12, will be observed in Highland Park. Plans are now under way in preparation for suitable ceremonies in connection with the date set apart for national observance. It is expected that a formal proclamation will be issued in due time calling attention of citizens to this matter, which is sponsored by the government and has been commended by the American Legion and other patriotic organizations. It is not a military demonstration in the sense ascribed by pacifist propaganda, say those interested, but simply a gesture to determine the extent to which the nation can depend on reserve organizations as supplementary to its defensive forces in case of emergency.

It is probable that here the day will be marked by a program at a prominent point in the business district, with a noted speaker, band music, patriotic songs, etc. All ex-soldiers will be invited to appear in uniform, and patriotic organizations will participate.

PRESS WILL BE CLOSED SATURDAY MORNING

In order to give our employes a three-day holiday, the mechanical department of The Highland Park Press will not resume operations on Saturday morning. However, for the convenience of any who find it necessary to transact any business on Saturday morning, the office will be open. The entire plant will be closed all day.

TEST YOUR MEMORY UPON "WHO'S WHO"

HOW MANY DO YOU KNOW?

See If You Can Accurately Pick Out Local Merchants from Array of Portraits In This Issue

It's an interesting game, that of testing your memory. If you know your storekeeper and the business men of Highland Park, here's your chance to put your memory to the test. And the best part of it is the fact that there are generous prizes awaiting those who can do the thing right. If you can prove your ability to name the business men under the rules proposed, there is no reason why you cannot be a keen competitor for one of the prizes.

You will find in this issue of The Highland Park Press, the issue you are now reading, a special "Who's Who" plan. It's published right along with this week's number. Read the Rules. On another page will be found the rules by which you are to be guided in telling the "Who's Who" editor just exactly who is who. You will hark back to the days of your childhood and work out a puzzle by matching the "Who's Who" advertisements with the "Who's Who" photographs of Highland Park business people.

The "Who's Who" edition contains the portraits of the business men and women of Highland Park. Special prizes in trade certificates are to be awarded to the winners. The awards are to be in the form of credit memorandums on any business house advertised in the "Who's Who" section. You have your choice as to where you want to spend the money. All answers in the "Who's Who" contest must be addressed to the "Who's Who" Editor, The Highland Park Press, Central Avenue, Highland Park. All answers must reach the office of The Highland Park Press by 1 o'clock p. m., Tuesday, Sept. 2, 1924. The names of the successful contestants will be published in the issue of Thursday, Sept. 11, 1924, together with the advertisements with each picture in its proper place. Artistic arrangement and decoration does not help win a prize, according to the "Who's Who" editor. Correctness and neatness only are wanted.

Turn to the "Who's Who" section. Read the Contest rules and get busy. Visit the merchants and find out "Who's Who." They will be glad to assist you. The big prize goes to the reader first sending in a correct answer. Look at that page of portraits again. Who's that jolly-looking chap with that little twist in his smile that gives him such an engaging look? And say, do you know who this fat boy is with a forehead going clear back to the middle of what used to be his scalp? Look! Here's Valentino himself. No, it isn't either; it's—well, you know. This other face must belong to some senator or at least to some local statesman. Get your neighbor to enter the competition with you. See which one of you can get the greatest number of correct insertions. Don't be alarmed by the great array of faces. Take it easy. And don't go at it in a hurry. Cut out the pictures and put them (not paste them) where you think they belong. Then when you're sure you're right, paste them in. Read carefully the directions printed elsewhere in this same page. Don't imagine how it ought to be done. Follow the directions exactly. (Photos for the "Who's Who" plan were taken in the J. Hecketsweiler studio, 22 North Second street. Mr. Hecketsweiler took personal charge of the work and turned out excellent likenesses.)

ELKS GOLF TOURNEY IS SEPTEMBER 10th

The annual Elks Golf tournament at the Park District club will be held this year on Wednesday, Sept. 10. Many entries are expected and the match promises to be a thrilling one, as many of the "Bills" are swinging their clubs early and late with a view to getting into the front rank in the tourney. The annual Ladies tournament at the Park District club is held today.

TEAMSTERS ENJOY PICNIC ON SUNDAY

Teamsters of the Highland Park, Lake Forest and Libertyville locals held a successful picnic at Hertel's park last Sunday, at Half Day. There was a good attendance and plenty of entertainment features, and the committee in charge of the arrangements is highly praised by those who attended for the good time provided for all.
