Baseball! Baseball!

When the Fair is on at Libertyville, Baseball is our middle name! Lake County, the cream of the world in leading dairies, poultry farms, agricultural products, thoroughbred horses and the world's best swine, as well as the home of the best fed, best clothed, best housed, best educated people on earth is naturally the livest baseball territory outdoors. Come to the Fair and see real rivalry on the splendid fast diamond.

The Baseball spirit here is at the nth power and when we say it is going to be better than ever this year, why, we don't mean "if"!
