### SECOND BOY SCOUT TROOP FORMED HERE

Is Sponsored by Presbyterian Church; Details Of The Organization

Troop committee—Col. H. B. Clark, Thomas Creigh, A. H. Emerson.

With the opening of the school year the Presbyterian church has sponsored the organization of another troop of Boy Scouts in Highland Park to be known as Troop 2. The first meeting of the new troop was held last Monday evening at the Elm Place school. The work of this troop will be under the direction of H. Ame Babcock, Jerry Leaming, Edward M. Gallup, Walter Rankin, and Walter Reed.

The boys who attended the first meeting are: Jack Berry, Ferdinand Borchardt, Edward Dostalek, Willard Ericson, Edgar Flynn, John Flynn, Irvin Garling, Norman Gastfield, Victor Gates, Peter Grimson, Clarence Huettch, Fred Leffert, James Lindsay, Harry Lindstrom, Walter Ludlow, Bud Moon, Lloyd Moon, DeWitt Purdy, George Seiffert, Norman Sheridan, Albert Snite, James Stephens, Robert Striker, Romoneto Ullian, Lloyd Wightman.

The boys were divided into gangs which will later be organized into patrols. Each gang selected a patrol name and call. James Stephens was elected temporary treasurer and Lloyd Wightman temporary scribe or secretary. At the close of the meeting the troop adjourned to the Liza Bee Inn where they enjoyed an after meeting lunch.

An employment bureau is to be organized which will secure work for scouts desiring employment. One of the major events planned for this fall is a boat trip across Lake Michigan. It is hoped that sufficient interest will be shown by the boys to form a third and fourth troop immediately. Any boys over twelve years of age who are interested in the Scout movement are asked to report to the old auditorium of the Elm Place school next Saturday evening at 7:00 o'clock.

### BIG KLAN MEETING HELD IN DEERFIELD

Deerfield was treated to an immense Klan parade Saturday night when thousands of Klansmen, who met near Deerfield in an outdoor meeting marched there.

It is estimated that from 10,000 to 15,000 members were there on the ground from all parts of the state. A class of 170 took the initiation. It is understood.

Fireworks, including time and cluster bombs, were used to direct traffic to the place and fiery crosses dotted the meeting ground.

This is the second meeting of the kind to be held in this section this summer, a similar one being staged near Druce Lake early in the summer.

### FIND CHICAGO MAN DROWNED IN LAKE

clothing. An Elgin watch in his pocket had stopped at 2:12 p. m. It bore the monogram "M.G.", as did a signet ring, also found in his pocket. His belt buckle bore the initials "M.H.G." and the same letters were on a hammered silver cigarette case in his pocket. A stick pin with a small stone, a number of papers, including insurance blanks, a notice of interest payment due H. O. Stone & Co., indicating that the man had been buying real estate. A note in French written in a small hand having reference as far as could be deciphered, to the writer's business with "the company" was among the papers and was unsigned. Two one-dollar bills also were in his pockets.

Whether the man is a suicide or was drowned accidentally is a matter of conjecture, the mystery being as to what he could have been doing on the beach Wednesday afternoon.

Chief Maroney got in touch with the Equitable assurance association in Chicago immediately and was told that Marcel H. Gameley was a representative of the company and had last been seen at a dinner which the office force had attended Tuesday evening. The description of the effects found on the body was given over the phone, and the chief was informed that a representative of the company would come to Highland Park. He was requested not to notify Gameley's wife, until it was established beyond doubt that the drowned man was he.

### Y. W. CAMPAIGN TO START NEXT WEEK

(Continued from page 1)

Last year the eight clubs gave over \$2,000 through their membership, \$679 of which went to the budget, and the rest to local charities such as the Dorcas home, and their own summer outings at Druce Lake, to which they look forward each year with so much anticipation. They also raised \$100 for Japanese relief, following the earthquake, which proves they are not unmindful of their sisters across the sea.

The money given by the community is therefore used entirely for running expenses; such as salaries, taxes, heat, light and so forth, which the girls themselves are unable to meet. In last week's Press some idea was given of the various needs supplied by the association, and its faithful construc-

### CAMPBELL CHAPTER RESUMES FALL WORK

Advance Officers Night Marks Gala Opening Following Vacation. Many Attend

On Wednesday Sept. 17th, Campbell chapter No. 712 O. E. S., after a somewhat idle summer resumed its fall work with a gala night. Marie Schneider, associate matron presided in the east while Violet Brown, conductress and Ethel Panowski, associate conductress advanced in their offices. It was truly associate matrons and advance officers night for Mrs. Schneider was assisted by Richard Schuttge past patron of Wilmette chapter as patron and a number of visiting associate matrons as officers.

Bianche Musser of Campbell chapter, who acted as soloist for the evening sang "Still Unexpressed" and presented a basket of flowers when the acting worthy matron was introduced and welcomed by the worthy matron. Later she sang "Love Sends a Little Gift" and presented a basket of flowers when Pauline White the worthy matron, was introduced and escorted to the east.

After the usual introducing and escorting all further business was dispensed with and the chapter prepared for initiation. The officers and Mr. Schuttge are to be complimented for the dignified and impressive way in which the lectures were delivered. After the ceremony of initiation was completed, the worthy matron addressed the chapter and called on several others who made appropriate remarks. Quantities of flowers were in evidence—as gifts and as decorations. Gifts were presented to the acting worthy matron and worthy matron and Mrs. Schneider in turn presented the officers of the evening with a gift. Refreshments were served and another big event went down in the history of Campbell chapter.

—Mrs. Musser.

### MRS. F. P. HAWKINS PASSES INTO REST

(Continued from page 1)

a profusion of flowers and unlimited good wishes were showered upon them by their hosts of friends in Highland Park and elsewhere.

**The Relatives**  
Mr. Hawkins is living and there are four children, Mrs. Celia Hawkins Schultz, wife of James Willard Schultz, famous writer of Indian stories, of Los Angeles; Mrs. Elizabeth H. Ball, wife of Joseph Ball of New York City; Richard W. Hawkins, associated in business with his father in Highland Park, and Miss Frances Rhodes Hawkins, at home. A sister of Mrs. Hawkins, Mrs. J. H. Buckbee, lives in Minneapolis, and a brother, Rev. William W. Everts, is a leading Baptist minister in Boston.

Mrs. Hawkins was a member of the Baptist church so long as that denomination was represented in Highland Park, and thereafter, out of regard for the religious affiliations of her father, she became a member of the Baptist church of Wilmette. Her life was devoted to her family and her wonderful character and personality won her a host of friends by whom she was greatly beloved.

**Funeral Tuesday**  
The funeral service was held at the family residence, at 2:30 o'clock Tuesday afternoon, conducted by the Rev. Stiffer of Wilmette Baptist church, assisted by the Rev. William W. Everts of Boston, brother of the decedent. The outpouring of sympathy from friends and neighbors was remarkable, and the tribute of flowers was profuse and beautiful. These flowers were removed to Rose Hill cemetery and placed about the grave before the arrival of the funeral cortege, and the sorrowing relatives saw their loved one laid to rest amid a wealth of blossoms, kissed lovingly by the mellow rays of the setting sun.
