

NORTH SHORE LINE

A Rule of Transportation for the North Shore

A STRAIGHT line is the shortest distance between two points—and a fast and comfortable line is the best. That characterizes the service of the North Shore Line between any two points on the North Shore.

Local, express and fast limited service is carefully arranged to meet the requirements of North Shore citizens.

With double-tracked, stone-ballasted roadbed, the latest steel equipment, including dining and parlor-observation cars, and an operating personnel picked for efficiency and courtesy, the North Shore Line is a real transportation factor of the North Shore.

It is more than a coincidence that the name of the North Shore Line is the same as the territory it serves, for it is identified in every way with the interests of the North Shore. And when residents of every community from Chicago to Milwaukee refer to the North Shore Line as "our line", we are proud of the co-ownership implied.

Fast, frequent trains from the heart of Chicago, the Loop, to the heart of Milwaukee serve every intermediate city and town.

SPECIAL ASSESSMENT NOTICE Number 84

NOTICE is hereby given to all persons interested that the City Council of the City of Highwood, Lake County, Illinois, have ordered the grading, draining, paving with Portland cement concrete and otherwise improving Walker Avenue from the easterly line of Waukegan Avenue east to the east City limits of Highwood, in the City of Highwood, County of Lake, and State of Illinois. The ordinance for the same being on file in the office of the City Clerk of said City, and having applied to the County Court of Lake County for an assessment for the cost of said improvement according to benefits, the final hearing thereon will be had on the third day of October, A. D., 1924, at 10 o'clock A. M., or as soon thereafter as the business of the Court will permit.

Said assessment is payable in ten (10) installments, with interest at the rate of six per centum (6%), pursuant to law, from and after the date of issue of first voucher. All persons desiring may file objections in said Court before said day and may appear on the hearing and make their defense.

HARRY OLANDER, Officer appointed to make said assessment.

Dated at Highwood, Illinois, September 18th, A. D., 1924.

The successful Automatic Oil Burning Systems are made in 20 sizes; a KLEEN-HEET for every heating plant from the smallest dwelling to the tallest skyscraper. Now over 16000 in operation.

Represented in Lake County by Heating Engineers, which assures owners of correct installations and prompt attention. Send for names of KLEEN-HEET owners in your own neighborhood.
