half was not promising, but after that Deerfield got going and it was a great battle, ending 7 to 6 in favor of Deerfield.

The Bloom Game

During the first half Deerfield was unable to stop the Bloom backfield and as a result Bloom made a touchdown. The opponents made continual line plunges and end runs and Cox took the ball through to a touchdown by a line plunge. Bloom fought hard for its score.

In the third quarter Deerfield made gains through the line which brought them next to the goal line. They continued to go through until a touchdown was made.

Dever in the first half was not playing up to his usual game and was taken out. He was put back again in the third quarter and put the kick over and made the touchdown that tied the score.

The second half of the game was more tense, as there were less fumbles and both teams seemed to be fighting harder.

GLENVIEW TO PLAY HERE NEXT SUNDAY

ELKS WIN IN LAST GAME

Defeat Rivals on Own Ground, And Big Crowd Expected Next of Series On October 12

(By A. Fell)

Last Sunday the Elks trimmed Glenview on that club's own grounds, a feat that is difficult to achieve. They made it good to the tune of 8 to 4. Darkness halted the game in the ninth, or the Elks would have made a million.

In the fifth inning the score was 3 to 0 in favor of Glenview. Then the Elks got going. Maloney opened with a single, M. Rudolph walked and they soon scored on G. Rudolph's hit. Rudy advanced to third on Angelo's sacrifice. Hessler brought Rudy in for the tying run. Glader fied out for number 2. Little then got a single, Werner walked. Kilbey then got a high fly that Burdick missed and Little and Hessler raced in but Werner was caught at home. Result 5 runs, 5 hits. Score Glenview 3, Elks 5.

After that the ball game was safe. Glenview could not touch Hess. This game was one of the best he has ever pitched. He had perfect control not allowing a walk. His six hits were scattered and if the Elks had played baseball the first innings Glenview would not have scored.

Next Sunday another real ball game will be played. Glenview will come here.

The game will be called at two o'clock sharp so it will not be called. If the Elks win it will be the last game in the series.

Standing to date: Won Lost PerCent. Elks 1 0 1.000. Glenview 0 1 .000. One tie game played.

Lineup: Elks: 1 2 3 4 5 6 7 8 9 R H. Glenview: 1 2 3 4 5 6 7 8 9 R H. Base on balls off Hessler 0, Overloch 4. Struck out by Hessler 6, Overloch 3. Sacrifice hits, Little, Angelo, Gerkin.

HIGHWOOD GRIDDERS DEFEAT LAKE FOREST

Score Is 2 to 0; Touchback In First Quarter Wins Hot Battle Sunday

In a hard fought game from the kickoff to the last whistle, Highwood won over Lake Forest by two points scored by a touchdown late in the first quarter.

Lake Forest opened the game by a short kickoff to Emmett who ran the ball to the 40 yard line. The ball only moved from the center of the field when either team was forced to punt after failing in attempted gains. In one of the exchanges, Shannon punted to Lake Forest's 10 yard line where Haas of Lake Forest juggled it and was thrown for a touchback by Emmett and Williams.

The ball was again put into play and stayed in midfield till the end of the half. Lake Forest had difficulty in getting off punts, two attempts being blocked.

Highwood kicked off to Lake Forest at the half and in this period Lake Forest completed a pass to Lindenmeyer, and Highwood completed two Lauridsen to Shannon and to Emmett. Then Lake Forest started a march down the field, and was halted on the 4 yard line. Shannon kicked out of danger and Lake Forest unsuccessfully attempted several passes one of which Shannon intercepted and carried 30 yards before being downed. Then returned a punt for a substantial gain and the game ended with Lake Forest using an aerial attack which was completely smothered by the local team.

Next Sunday Highwood meets one of the strongest teams in the league when they take on the Logan Square eleven. Coach Bolan is working nightly to point the team, for this game, and a real contest is assured the fans.
