**RADIO STARS PLEASE
BIG AUDIENCE HERE**

About six hundred radio fans "tuned in" on the Radio Program given at the Elm Place School Auditorium Monday evening. However the "tuning in" was not merely listening to a program, but it was seeing the stars themselves perform.

The direction of the program was under Frint George of Wilmette, who has been placing the radio stars before the public on Monday evenings in the various North Shore towns. The idea is a very clever one, and one which the public cannot afford to miss.

The artists were, Jenny Sullivan of the Calumet-Rainbo Gardens station who acted as announcer for the evening; Harry Geise, the famous "How-Do-You-Do" man; Ray Hibler; the Monogram Trio; the Harmony Girls; the Seven Kings of Syncopation; and Bobby Cough. Miss Grace Wilson, who was listed on the program, was ill and unable to appear, although she made the trip to Highland Park.

The artists of the air were greeted with considerable applause. Again and again they were recalled to give some selection which they have produced through the microphone.

Those who attended thoroughly enjoyed the entertainment, and were only disappointed that it was not longer. It is hoped that a similar performance may be staged at Highland Park at a later date, so that more may avail themselves of the opportunity of seeing and hearing these stars.

**CARD AND BUNCO
PARTY ON OCT. 28**

There will be a five hundred and bunco party given by the Pythian Sisters of Highland Park, Temple No. 300, at the Masonic hall on Tuesday evening, Oct. 28, at 8:30.

At this time a beautiful hand-made luncheon set will be given away. Prizes will be awarded, and refreshments served. A cordial invitation to attend is extended to the public.

**NEEDLEWORK GUILD
COLLECTS GARMENTS**

**Exhibition To Be Held Oct. 21st
At Home of Mrs. Creigh
200 Prospect Avenue**

The directors of the Highland Park branch of the Needlework Guild of America are collecting garments this week for the annual distribution. Each director must collect 22 or more new articles of wearing apparel, or household linen. The exhibition of garments of this branch will be held on Tuesday, Oct. 21, at 10 a. m., at the home of the president, Mrs. Thomas Creigh, 200 Prospect avenue.

An extra contribution for the thank offering fund is also being asked at this time. The Needlework Guild of America is celebrating its 40th anniversary and the thank offering fund is in commemoration of that event.

**ROYAL NEIGHBORS
CONVENTION HERE**

The Royal Neighbors of Lake county will hold their annual convention at I. O. O. F. hall on Wednesday, Oct. 29. There will be an afternoon session from 1:30 to 5 and an evening session at 7:45. All members wishing to reserve plates for the supper, call Ida H. Barber, president.

**D. B. E. CARD PARTY
VERY SUCCESSFUL**

The Daughters of the British Empire would like to take this opportunity to thank the public for the support given them at the card and bunco party held last Friday evening in the Odd Fellows' hall, Laurel avenue. They also wish to thank those who very kindly donated prizes and who helped in other ways to make the affair the success it was. A substantial sum was realized, which was added to the local fund for the British Old People's home at Riverside.

The ladies hope to give another party in the near future.

**PLAN SUBDIVISION
AT NORTHBROOK**

**Schroeder & Co. and Group of
Local Investors Will
Offer It**

Paul Schroeder & Company, of Highland Park, through their local manager, F. B. Williams, have organized a group of Wilmette and Highland Park people and taken over what has been known as the George Bock twenty acres in Northbrook. This property is within two blocks of the Waukegan Road and has some six hundred feet of frontage on the new, paved state road, known as Shermer avenue. It is being subdivided into deep one-hundred foot lots. Sidewalks and rough grading will be undertaken at once and the property will be placed upon the market in the near future.

The close proximity to state roads (the property also lies within a short distance of the Dundee road), nearness to Northbrook transportation, schools, etc., the natural beauty of this property, in view of it being high and well wooded will make it an attractive investment.

The Highland Park State Bank has taken title and is handling it under a trusteeship.

The subdivision, which contains 41 half-acre lots, will be known as Northbrook Heights. Preliminary information can be obtained by calling at the Paul Schroeder office, Highland Park.

**BLOW FROM PICKAX
FRACTURES SKULL**

**Mike Rogan, Jr., in Hospital As
Result; Relatives Seeking
Information**

Michael Rogan, Jr., aged 24, was taken to the Highland Park hospital Thursday suffering from a slight fracture of the skull, said to have been caused by a blow from a pickax in the hands of a man from Indiana employed on a construction job in the south part of the city. Rogan was loading tile when the accident happened. At the home of his father, Michael Rogan, Sr., in Laurel avenue, yesterday, it was stated that nobody had been allowed to talk to the injured man and definite information was lacking as to the cause of the injuries. They understood, however, that he was struck by a pickax in the hands of another workman. Whether it was an intended blow or an accident was not clear, it appeared. Rogan was conscious yesterday and was expected to recover without further trouble.

**FORMER H. S. STARS
In L. F. KNOX GAME**

**"Red" Proctor and Kyalla In
Lake Forest Lineup; Home
Coming Saturday**

Highland Park football fans will be especially interested in the Home-Coming game Saturday of this week at Lake Forest College, when the college team meets the fast squad from Knox college, Galesburg, because two of the players on the Lake Forest team are former Deerfield-Shields high school grid stars. They are "Red" Proctor, center, and Phineas Kyalla, end. Proctor was captain of the Deerfield team when it made the trip to Brockton, Mass., the year Deerfield won the suburban league championship, also he was chosen captain and center of the all-star team from the league by the Chicago Daily News. Kyalla also was picked as all-star end by that newspaper. The game promises to be a hard-fought one. The Deerfield-Shields high school band will play during the battle.

The Business Men's League will get under way shortly. Manager Kelly of the alleys, reports that there is still room for a few bowlers on some of the teams. Those wishing to bowl should see him at the alleys.

The teams in the league are: Fell's Clothiers, Duffy & Duffy, Borchardt & Mack, McClory's Cabs, Hecketsweiler's Photographers and Highland Sweets.

**EVA EMMET WYCOFF
GIVES ENTERTAINMENT**

On Sunday afternoon Oct. 12th Miss Eva Emmet Wycoff presented to a few invited guests, Mrs. Edith Adams Stewart, interpreter of plays who read the play of "Will Shakespeare" by Clemence Dane. Vivid pictures of the more or less stormy life of a gifted dreamer and a light-headed jealous spouse were wonderfully brought out by Mrs. Stewart. The modulations of her voice, clear diction and clean enunciation were a delightful factor in a delightful reading.

Those who were privileged to hear her will not soon forget the story, nor the reader. Mrs. Esther Pardee Topp played two piano numbers and was roundly applauded for her splendid technic and charm.

High Water Marks

They are interesting always. The following statement, (condensed from report in response to call), is interesting to us and should be interesting to the public, because this new high water mark is unmistakable evidence of the remarkable growth and development of this community.

**PLAN MUSIC SERIES
AGAIN THIS SEASON**

(Continued from page 1)

be on sale at Gsell's drug store, and other places which will be announced next week and by members of the committee. The guarantee fund of this organization has never been called upon—a record which should be kept this year and all years for such a splendid movement should be a matter of civic pride as well as popular.

This same kind of music series has been given at New Trier for three seasons and the last two years there has been a waiting list for subscriptions. Winnetka is putting over an artist's course this year with world-famous artists: Madame Homer, Gabriowitch, Werrenrath, Casals and Madame Ivogun, and the demand for tickets in Winnetka was so great that the committee was obliged to limit the number which could be sold to other suburbs! A really astonishing proof of what is wanted by North Shore residents who enjoy Ravinia all summer and must have the same standard of music through the winter! If other smaller suburbs can do so much Highland Park can do more and here is her opportunity!

The Organization

The Highland Park Civic Music Association is headed by Mrs. Annette R. Jones, honorary president, and Mrs. Arthur Byfield is chairman of the following committee:

Mrs. Jay Glidden, business secretary.
Mrs. Grundy, treasurer.
Mrs. Cary Wood Thomas.
Mrs. John Harmon.
Mrs. Elizabeth MacCrystal Heath.
Miss Priscilla Carver.

A committee has just been organized in Ravinia, of which Mr. Ralph Fletcher Seymour is chairman and Mrs. Alan Wolf secretary.

It is a big movement, almost a thousand tickets must be sold because the best costs much but the committee has faith in the big things Highland Park stands for and has "put over" in the past.
