All Congressional, District, And State, County Candidates Elected; Figures on The Chief Contests

With one of the largest votes ever polled here at a presidential election President Coolidge and Gen Charles G. Dawes carried Deerf township by large pluralities. nearly the entire Republican ticket seems to have fared similarly, as in dicated by unofficial and more or less incomplete returns. The several publie policy propositions received majorities.

In the nation as a whole the Republican victory has assumed the proportions of a landslide, states giving Coolidge and Dawes even greater pluralities than were given Harding and Coolidge f years ago. Hon. John W. Davis Democratic candidate 'ran about well as James Cox four years a according to incomplete figures, an LaFollette was a poor third in almos every state, except Wisconsin, which he appears to have carried.

In Illinois the entire Republi ticket is elected with tremene pluralities, from Governor down to university trustees. Charle S. Deneen has carried the state several bundred thousands, and Republican candidates for congres sional, senatorial and legislative office are elected.

The successful Republican candidates for office in the congressional and legislative districts of which Lake County is a part and the county officers elected are:
