NUMBER 39

H. S. ASSEMBLY HALL AND ATHLETIC FIELD

TWO SPLENDID ADDITIONS

Work on Both Well Advanced; When Completed Will Place Deerfield-Shields in Front Rank

With the steel work up and other construction operations well advanced, the new assembly hall at the Deerfield-Shields high school is beginning to take shape and some idea can be obtained of its size and arrangement. The extensive improvement under way on the new athletic field also is a matter of pride to the school and the district.

The new auditorium, when completed, will have seating capacity of about 1,650, with all modern equipment and facilities to make it as nearly perfect as a school assembly hall. This building completes the original plan for the group of buildings on the high school grounds, making a total of six structures. Two of these are devoted to class rooms, one to physical education and recreation, one to industrial arts training, one to group gatherings and entertainments and one a heating and lighting plant.

To Have Good Stage
The assembly hall will have an exceptionally large stage for a school auditorium, and it will be sound proof, thus making it possible for the school band to practice in a room immediately beneath without disturbing the remainder of the school activities. A high loft will provide a place in which to hoist scenery sets when not in use. Indirect lighting from concealed fixtures will add to the interior appearance of the hall, all of the lights being in the ceiling and none on the side walls, the plan in arranging the interior being to give it the appearance of a high-class community center. The best type of theatre curtains and scenery equipment will be provided.

The entrance room facing St. John's avenue will be a large foyer with provision for exhibition of paintings sculpture and other works of art and school trophies, and the initial impression made upon the visitor to this splendid building will be an exceedingly favorable one. The plans for the complete unit indicate that on further inspection of the interior there will be no cause for disappointment, as it promises to be one of the most modern and best equipped high school auditoriums in the state.

The Athletic Field
Equally excellent and important to the school is the new 30-acre athletic field which is rapidly being put in shape for use. Drainage and water service have been provided for, fencing is progressing and the field is graded for the various activities in its different sections.

Provision is made for a good skating pond in winter and hockey field in summer. There will be three baseball diamonds, the one on which suburban league games are played to have bleachers adequate to needs. These are in the northwest corner of the field. The main football field is to be in the center, also provided with seating accommodations and other necessary facilities. In addition there will be three practice football fields and ten tennis courts. Parking space on the field will afford room for five or six hundred automobiles.

With the new assembly hall and this splendid athletic field, in addition to its already complete equipment in other departments, Deerfield-Shields will continue indefinitely to hold its high place in the first rank of the best high schools in the United States.

CATHOLIC WOMAN'S CLUB STUDY CLASS, MONDAY

Meets At Home of Mrs. S. F. Beech, Glencoe; Subject Will Be "Japan"

The study class of the North Shore Catholic Woman's league will meet on Monday, Dec. 1st at 2 o'clock at the home of Mrs. Sidney F. Beech, 253 Waldron road, Glencoe.

Mrs. William F. Brown is chairman of this class and under her able leadership the meetings are proving to be most interesting, and every member should avail herself of the privilege of attending. The subject is Japan.

HANDKERCHIEF SALE TUESDAY AT H. P. W. C.

The handkerchief sale at the Woman's club will be held on Tuesday afternoon, Dec. 2, beginning at two o'clock. It is hoped that many will avail themselves of this opportunity to secure hand-made handkerchiefs for Christmas gifts.

This sale is for the benefit of the building fund of the Highland Park Woman's club.

DARROW TO SPEAK AT WOMAN'S CLUB

Noted Chicago Attorney Will Deliver Address at Annual Open Meeting

Next Tuesday evening at 8 o'clock, the Highland Park Woman's club will hold its annual night meeting. According to the usual custom which has prevailed in past years, this will be an open meeting to which members are privileged to bring their friends.

This open meeting, however, is designed primarily as a guest night for the husbands of members. The speaker of the evening on this occasion will be Clarence Darrow, a Chicago man who has made himself an object of world interest through marked ability as a criminal lawyer. There is, it appears, a wide divergence of opinion touching Mr. Darrow's views in this field wherein he has distinguished himself, a fact which bids fair to make his lecture an occasion of more than ordinary interest. His subject will be "Crime and Punishment." In developing this subject, Mr. Darrow will give a lucid exposition of his views, and his reasons for those views. Those who agree with Mr. Darrow in these matters, will be there; those who oppose him will have an opportunity to get the facts first-hand. Mr. Darrow is a philosopher who has lived a long and eventful life. His experiences, if they do nothing more, will help to sharpen and crystallize one's point of view, be that what it may.

LEGION AUXILIARY DISTRICT MEET DEC. 11

MAY BE NECESSARY TO CLOSE HOSPITAL

GENERAL SUPPORT URGED IN ILLINOIS PUBLISHER

Unless There Is Improvement In This Line Its Operation May Be Discontinued; Public Disaster

That the financial problem confronting the Highland Park Hospital is a serious one, which may result in closing the hospital, is indicated in the reports of the institution for the past year, and urgent appeal is made to the community to rally more generally to the support of the hospital, than which no local institution is doing greater good.

In the last six months the fact that ready access to a local hospital was possible undoubtedly saved at least 17 lives, as fully that number of emergency cases might have proved fatal had hospital facilities not been promptly available.

In an effort to make clear to the community the urgent necessity of the united support of the community for the hospital at all times, the following official statement has been issued to bring to the public a clear understanding of the situation:

Statement of Situation
In the past year the operating expenses of the hospital were about \$10,000 more than the income and indications are that an equally large deficit will be disclosed when the present fiscal year closes.

This is a condition which confronts the management and one that causes them to view it with alarm well nigh to panic.

It would be a sad state of affairs if it would become necessary to close the hospital on account of lack of support and that is exactly what will happen unless our citizens awake to the real necessities of the case and come forward with financial support.

Building Free of Debt
The building and equipment representing an investment of approximately \$300,000 is now clear of debt and stands as a monument to the open-hearted generosity of about 500 of our citizens. We do not know of any community of the size of Highland Park that can boast of such an institution.

Until emergency knocks at their doors, few people take the trouble to realize just what it is to have a hospital so accessible. In the last six months there were at least 17 cases which would undoubtedly have been fatal if there had been no hospital here to care for them. Seventeen lives that have been saved. You can never tell when you or some member of your family will need emergency treatment. It certainly goes without argument that the hospital is a vital necessity and a small amount contributed to its upkeep and support is cheap insurance.

Facts of Case
Now let us place the matter plainly before you:—
The hospital cannot be expected to pay its way until the average number of patients per day amounts to 25 and that's in the future.

Each year it has shown a deficit of about \$5,000. Most of this deficit has been paid by about 100 contributors of \$50 each—many of whom have expressed a willingness to continue their subscriptions.

Others must come to the assistance of the management and do their share or the project will fail. That would be a real calamity and one which we hesitate to even contemplate.

Think it over, give your most serious consideration, and send in your voluntary subscription for as large an amount as you feel able to contribute. Don't wait for some one to call upon you.

R. C. BERLINS HEAR FOREIGN RADIO MUSIC

Mr. and Mrs. R. C. Berlin of 240 Vine avenue, report the hearing of New Castle, England, and Aberdeen, Scotland on their five-tube Pfansiehl radio set, Tuesday evening. Although they could not hear the announcer they are quite confident that they received these stations. Newcastle was heard about ten-thirty o'clock and Aberdeen about ten minutes to eleven.

Several others in Highland Park reported having heard piano music shortly before eleven, but did not get the announcement here. The Press would like to hear from them.

LINCOLN P. T. A. WILL MEET NEXT WEDNESDAY

There will be a meeting of the Lincoln School Parent Teacher association, Wednesday afternoon, December 3rd at three thirty o'clock. A lecture will be given on "Toys." Everyone is urged to be present.

UDELL PRINTING CO. GETS FINE WRITEUP

MAGAZINE OF WIDE CIRCULATION GIVES MUCH SPACE TO DESCRIPTION AND PICTURES OF LOCAL PLANT

That a modern printing plant, splendidly equipped and situated among attractive surroundings is appreciated by the people who make printing and the making of newspapers their special business is indicated by the space given to the Highland Park plant of the Udell Printing company in the October issue of the Illinois Publisher, a monthly journal published at Springfield, Illinois, and devoted to the newspaper and printing trade of the state.

In the last issue of this magazine two half-page pictures of the plant and the beautiful little park in front of it and a large group picture of the employees have a prominent place, accompanied by a descriptive article telling something of the history of this progressive and successful enterprise. The article follows:

What Magazine Says
"The principal plant of the Udell Printing company at Highland Park, besides being one of the most modern in construction and equipment among such plants, is unique in its setting. The building is situated on the rear hundred feet of a 200-foot lot, and between it and the street is laid out a formal garden of shrubs, flowers, vines, etc., with a fountain and pool in the center well stocked with goldfish. Gravelled walks bordered by flower beds in summer and many evergreen shrubs which maintain the beauty of the little park in winter make this print shop's surroundings among the most attractive in the country."

"The present building made necessary by the rapidly growing business in both job printing and publishing departments, was completed two years ago. It is of fireproof construction, chiefly of brick, concrete, steel and glass and is one of the best lighted and ventilated printing establishments in the state. Its dimensions are 100 feet by 50 feet, with mezzanine floor. An oil-burning heating plant is located in the basement."

"The equipment of the company's plant comprises two linotypes, eight Gordon presses, three automatic feeders, three cylinder presses, automatic paper cutter, newspaper folder, Cleveland job folder, two stitching machines, all latest improved Hamilton steel cases and imposing tables."

"The Udell Printing company's officers are: President, John L. Udell; Vice-president and Treasurer, Paul L. Udell; Secretary, Walter Cope. "John L. and Paul L. Udell are sons of the late E. J. Udell, formerly for Continued on page 16"

Miss Eva Emmet Wycoff will give a complimentary song recital to former and present pupils next Sunday afternoon at three thirty o'clock at the residence of Mrs. Frank Lowe, 380 Hazel avenue.

MODERN COMPOSERS IN RECITAL PROGRAM DEC. 7

Guy Maier and Lee Pattison Appear in Second Concert Of Civic Music Series

Guy Maier and Lee Pattison, the pianistic "twins," will give a recital at the Elm Place auditorium on Sunday, December 7th at three o'clock, devoting the major part of their program to an interesting and varied representation of the modern composers.

These remarkable young American pianists have, during the past few seasons, advanced to a position at the very top of their particular field and have carried their programs to Australia, New Zealand, Hawaii and more recently to Europe.

It has been said of Maier and Pattison that they play so gaily that the perfection of their technique is less conspicuous than the intangible spirit of their playing. It is impossible to tell which is playing, so extraordinarily do they blend their individualities. They are precise, brilliant, vivacious. They have a strong predilection for modern works and composers, but their range of interpretation is so wide that they play with equal facility everything from Bach to Mozart. As a result of their several years of work and study together, these young men seem to have established a telepathic connection between their minds, so that their playing presents music as the product of two perfectly fused mentalities, rather than as that of one man and a leader. Such perfection of ensemble is as enjoyable as it is rare.

"WIZARD OF OZ" DEC. 4 AT ELM PLACE SCHOOL

Junior League Players of Chicago To Appear In Program Next Week

The people of Highland Park are to have the privilege of seeing the "Wizard of Oz" given by the Junior League Players of Chicago, with the original Montgomery and Stone costumes. All those who have seen these things will appreciate what a treat is in store. The many people who are in the habit of talking their children to Chicago to see the Junior League performances on Saturday mornings, may be glad to avail themselves of this opportunity so near at hand.

This play will be given on Thursday, Dec. 4, at four p. m. in the Elm Place Auditorium and tickets may be procured at the Elm Place School or Feser drug store, Gaell's drug store, Game and see your old friends, the Tin Woodman and the Scare-Crow. Home made candy will be on sale during the performance.

Matinee Thursday and Saturday. See program on local page of this paper.

FRANK J. GARRITY RECEIVES PROMOTION

Made District Manager of Memorial Park Cemetery; Lived Here Many Years

Mr. Frank J. Garrity of Highland Park may be said to be a descendant of one of the first settlers of the town. His grandparents were the first couple to secure a marriage license in Lake county.

Mr. Garrity has for the past eight years been an employee of the North Shore and Milwaukee electric railroad, and has also been with the Utility Securities company of Chicago. He has recently been promoted to be district manager of Memorial Park cemetery. His many friends wish him success in his new work.

AN ASSEMBLY DANCE THANKSGIVING NIGHT

The regular assembly dance will be held at the Highland Park Woman's club this evening, Thanksgiving night, Nov. 27. Splendid music has been provided and a good crowd is anticipated. Patrons and patronesses will be on hand as usual.

UNION THANKSGIVING SERVICE HELD HERE

AT TRINITY EPISCOPAL

Sermon by the Rev. Frank Fitt; Older Boys Conference at Presbyterian Church Dec. 5, 6, 7

Several events of interest are scheduled for the next week or so in Highland Park Churches, the first of which is the annual union Thanksgiving service held the morning of Thanksgiving day.

This service has been arranged for by Dr. P. C. Wolcott, rector of Trinity Church, and it will be held in that church. The Rev. Frank Fitt, pastor of the Highland Park Presbyterian church, will preach the sermon. Other churches are participating. A suitable musical program is arranged.

Next Sunday is of special interest to the Presbyterian congregation, as on that morning the quarterly communion service will be held at 11 o'clock. Several new members will be received, and all who profess Christianity are invited to participate, according to a letter issued by the pastor calling attention to the service.

Older Boy's Conference

On Friday, Saturday and Sunday, Dec. 5 to 7, inclusive, the local Presbyterian Church will be the scene of the annual Older Boys' Conference of the Presbytery of Chicago. It is expected that about 150 boys from churches in and around Chicago will attend this conference, which promises to be of especial interest.

The delegates will arrive on Friday afternoon, Dec. 5, and will that evening be entertained at dinner at the Parish House of the Presbyterian Church. They will be lodged and given breakfasts in the homes of the parish, and members of the church are requested to notify the pastor, Rev. Mr. Fitt, how many delegates they can accommodate. They will take luncheon Saturday at a restaurant and dinner for them will be served that evening at the high school. For Sunday dinner members at whose homes they stay are requested to arrange for their entertainment.

Prominent Speakers

An interesting program of addresses and discussions has been arranged for this conference, and as the boys who will attend are all of high school age, it is expected that the sessions will be beneficial and instructive and help build up the spiritual and moral fibre of the youth of the church as a result. Among the speakers who will address the conference are Coach Stagg of Chicago University and the Rev. Timothy Stone of the Fourth Presbyterian Church, Chicago.

In his letter calling attention of the members of his church to this conference, the Rev. Mr. Fitt appropriately terms it "a spiritual venture for the upbuilding of Christian manhood, and urges that the church do its part to make the conference a great success."

Automobiles and drivers will be needed at the church Friday night at nine o'clock to transport these boys to the homes distant from the church where they will stay, and the pastor asks the assistance of those who can give this service at that time.

FOURTH OF SERIES OF CURRENT EVENTS CLASS

Dec. 4 at H. P. Woman's Club; Subject "Dominant Ideas in The National Mind"

The fourth in the series of Current Events Classes under the leadership of R. E. Pattison Kline will be held as usual at the Highland Park Woman's club, Thursday, Dec. 4, at 10:30 a. m. The subject will be "Dominant Ideas in the National Mind." Those who have enjoyed the past discussions know what a treat is in store for them and those who have not yet attended ought to avail themselves of the last two opportunities.

ZION LADIES HOLD ANNUAL BAZAAR DEC. 4

On Thursday evening, Dec. 4, the Ladies' Aid of Zion Lutheran church, West Central avenue, will hold the annual sale. This will be preceded by a supper, beginning at 5:30. Tickets for the supper are on sale. Many useful articles will be on sale, some of them especially adapted as Christmas gifts.

GIVE A CHRISTMAS TO A LITTLE CHILD

Will you give a Christmas to a little child? Fill a stocking, putting mate inside, marking for either boy or girl, and age, and send to Mrs. Henry Vail, 225 Laurel avenue, on or before the 17th of December.
