The gymnasium classes for men and How the idea of immortality de- women at the High school were discontinued by action of the board of The changing conception of sacri- education when it was reported that there were only 10 bona fide members in the women's classes and 15' in the

In previous years there have been from eighty to a hundred members; and the classes were started this year with no thought that the former number would not be reached again, especially since many requests for the service had come in advance. Several of those who joined the classes are now greatly disappointed because they BURGLARS CAUGHT have been discontinued. A charge of three dollars was made for the winter janitor service entailed.

If there is a considerable demand for the classes for the months of January, February, and March, 'they may be reorganized. Eighty new members at two dollars each will meet the cost and warrant the opening of the gymnasium. Classes will not be organized, however, until this number of paid members has been secured. Those who had already joined will be admitted for the amount which

they had returned to them. The classes are held on Monday evenings from 7:30 to 9:30. They in-Next Wednesday evening at eight clude gymnastic exercises, games, and o'clock Professor Edgar J. Goodspeed swimming.
