Our Wet Wash Service is a real wash-day help in every sense of the word. Simply bundle up everything; have our representative call for your things, and then forget all about wash-day. We wash all your clothes in a wonderful washer and the very purest of water. Then we remove the excess moisture, and return your bundle, sweet and clean, just damp enough for ironing, or to be starched and hung on the line.

Not a sound from Chicago—that's selectivity

If you live in the suburbs the first requisite in the radio set you buy is selectivity. For here there are 12 large local stations nearby going full blast at once which you must break through before you can reach outside.

The Deresnadyne will not only tune out any 11 of these stations and bring in the 12th, but tune out the 12 to bring in distant outside stations without interference from Chicago. That's selectivity. And it will bring them in on your loud speaker with amazing clarity and strength.

The Deresnadyne does not sacrifice power for selectivity or vice versa. It combines both qualities. It sets new standards of radio reception.

A demonstration will convince you. Come in and arrange for one.
