#### MAYOR HASTINGS ADDRESSES SCOUTS

At Council Meeting Friday; · Scout Sunday to Be Observed Feb. 8

Forty-six members of Troops 2, 3, The post-holiday slump in the soscouts. His speech follows:

"Well, scouts I do not believe the bridge parties. know under our form of government fund.

in the United States, among young North Shore towns for which the folpeople, doing the good that the Boy lowing chairmen have been appoint-Scouts and the Girl Scouts are do- ed: Evanston, Mrs. Irwin Rew; Wiling. I think the fine principle of your mette, Miss Joy Schneidenhelm; Winorganization is that you do a good netka, Mrs. William Sherman Hay; turn for somebody each day. I think Glencoe, Mrs. Albert O. Olson; Highthat if the old Boy Scouts and old land Park, Mrs. Howell Murray. Girl Scouts would adopt that slogan and follow it that it would be a very fine thing for all communities. It is certainly a very great honor to have you here and I hope you have enjoyed yourselves and hope you will come

The mayor then called on Mayor Pettis of Deerfield, who happened to be at the meeting, and Commissioners Cheney and Preston to speak a few words to the boys. Rev. Fitt replied to the mayor's and the commissioner's speeches for the scouts and then the boys cheered for the council. After cheering they left the room and formed in line in the street, where they were dismissed.

Scout Week Feb. 8 to 14 "Once a Scout, always a Scout" is the national slogan for Scout Week, February 8 to 14. Scout Week, this year is the fifteenth anniversary of the organization of the Boy Scouts'

# NEW AND POWERFUL

trolled Broadcasting Plant Soon

Erection of a new 5,000-watt su per-power radio broadcasting station to replace the 500-watt equipment now in use, has been announced by radio station WLS, Chicago, according to word received here. The new station is to be built in the open country to avoid interference with Series of Parties in Private other Chicago broadcasters, and the sending towers will probably be erected within 50 miles of Chicago, the announcement states.

Service from the new station will start-within three months, according to present plans. At the time of inaugurating the new plant it is also city hall, where they were interested benefits have almost slipped away hoped to have the twin studios now in preparation in the downtown district of Chicago ready for use. The new station will reach out two and onehalf times the distance touched now, have not one, but a series of bonefit and it is expected that every state in the Union will be able to listen in

will be used. A special feature will you elect men to office to look after | Mrs. Hubert Howard of Winnetka, be the remote control which will keep the affairs of your city and it is a president of the Chicago Wellesley the sending station and the Chicago

# UP AT CROSSINGS

. Too Long Often Barring The Traffic

A large number of motorists who have been held up at railroad crossing have complained to the Chicago Motor Club and these complaints have been turned over to the rail-

The club advises motorists, however, that railroads are not allowed to block a crossing for more than 10 minutes, and in such a case the crew is liable to a fine of from \$10 to \$100. The fine instead of going to the state will go to the person filing
