THERE IS NO WOMAN Who Does Not

enjoy saying "Good-bye" to the wash tub. And there is no need to even have one about the house. For our wet wash service does all the washing and returns your bundle, fragrantly clean, ready to starch, iron or hang out to dry. When you see how well it is done and how little it costs—that is when you'll say "good-bye" to the wash tub forever.

SELLS OLD CLOTHES FOR LEGION FUND

George Albert Wingate, surrogate of King's County, has gone into the old clothing business in Brooklyn. Among his many other activities the Legion is chairman of the American Legion welfare committee and in this capacity he is conducting a waste collection bureau, where old clothes, furniture, etc., are collected. The articles are sold and the receipts turned into the Legion's welfare fund.

me when I bought a new one. But now I have got so parsimonious for the sake of the Legion's welfare committee I even carry along my last year's straw hat. The waste bureau salvages and sells the stuff and some veteran benefits." The housewives and some sixty Legion posts of Highland Park in Lake View Terrace, owned by Mr. Wingate, are co-operating with the judge in conducting his old goods shop.

'Cause a man speaks English an' profane is no reason to class him as a linguist.

ADDRESS B-2 PRESS OFFICE

ADDITIONAL DEERFIELD

The Parent-Teacher Association of the Deerfield Presbyterian Church School held its second meeting Tuesday evening in the basement of the church.

Dr. Magill, minister of the Wilmette Presbyterian Church, talked on "Looking Forward." He told of the function of the free public school in teaching religion, morals and patriotism, and deplored the attitude of young people who say that the church cannot reach the young people of today because it is antiquated and has worn out ideas.

Mrs. Amelia Petersen's message was one of "Practical Christianity." Rev. Mr. Andrews told of the cost per pupil in the Deerfield School as \$55, whereas the cost of the church school is but \$2 per year per pupil.

Preceding the serious part of the program the Junior boys gave a "How Do You Do" song greeting. Joseph Andrews and Mr. Koeblin gave a catalog of "Don'ts" and Verda Varner and Lois Clark enumerated a number of "I Wills."

The style show put on by the young ladies' class, of which Vivian Haggie, Helen Reichert, Tannis Greer, Eva Cooksey, Edna Peterson, Ruth Patterson and Irene Bolin are members, had its teacher, Mrs. Agnes Petersen Tennerman, as the Madam who kept the fashionable shop, with all of its characteristic patter. The mannikins were the aforementioned girls, with Mrs. Fred Haggie as the customer who bought the entire stock of exhibited gowns, hats and wraps for her daughter and her niece, Miss Samantha Turniproot from the country.

The selling and buying was original. There had been but one rehearsal, so that most of the remarks were impromptu, and merited the approval which they received from the large audience.

Under the direction of Mrs. Koeblin attractive refreshments were served with St. Patrick's day decorations. Miss Emma Shilley, who has been living with her sister, Mrs. Will Hagie, died of cancer of the larynx Friday, seven weeks after the death of her son Raymond, and was buried in Stillville, Iowa.

Mrs. James Bodine of Duluth, Minn., who was visiting her daughter, Mrs. Austin Plagge, was taken very ill with diabetes and removed to the Highland Park hospital Saturday where she died Sunday. The funeral will be held in Duluth.

Mrs. Catlow, sister of Mrs. Ormon Rockenbach, died of pneumonia at her home in Barrington from which place the funeral took place Tuesday. Mrs. Catlow taught at one time in the Wilmet School, as did her daughter Ruth, who is married to one of the Whitcomb boys.

"This Was the Most Unkindest Cut of All"

Such values as are offered in our special display advertisement today, really cut the ground from under all competition.

We are sorry for our contemporaries, but we are equally as glad for you! sake that we are able to sell such goods at such prices.

This low-cut price will save you more than money spent in any store.

Ruth Green of 512 N. Green Bay rd. was the winner last week.

WHY THERE ARE MORE THAN A MILLION

Buick Torque Tube Drive

The fine engineering in Buick motor cars is demonstrated by the torque tube drive. This is a steel tube which transmits the drive from the rear wheels instead of adding this important duty to the burden of the rear springs. The torque tube also encloses and protects the propeller shaft. This type of construction also holds the rear wheels in alignment regardless of road conditions.
