WE'VE heard some awful  
LIES in our time but  
SOMEONE told us  
ONE that will hold you  
FOR a while—he says a  
MAN out in Wyoming one  
DAY found a big rattle  
SNAKE pinioned under a  
ROCK and he took pity on  
IT AND released it and  
THE snake followed him  
HOME and became a great  
PET and it watched things  
AROUND the house like a  
REGULAR watchdog and  
ONE night the man woke  
UP suddenly and there  
WERE sounds of someone  
CHORING in the room and  
WHEN he turned on the  
LIGHT here was the snake  
COILED around a burglar's  
THROAT and it had its  
TAIL out of the window  
RATTLING for the  
POLICE—and may we just  
ADD here that we are  
DOING a rattling good  
BUSINESS now in

**LETTER IN FAVOR  
OF MRS. SHIPNES**

**R. J. Beatty Writes Expressing  
Opinion That She Is Fit-  
ting Candidate**

The Highland Park Press,  
Highland Park, Ill.  
Gentlemen:

I have read with much interest  
what your publication has voiced in  
regard to Mrs. Shipnes as a candi-  
date for the Deerfield-Shields high  
school board.

May I as the parent of a daughter,  
who is a high school student, say a  
word or two for Mrs. Shipnes' can-  
didacy?

If the voters want to elect a wom-  
an of unbiased and broad intellect  
such as Mrs. Shipnes has proven her-  
self to be, one who is deeply inter-  
ested in educational progress, then  
let them cast their ballot in favor of  
her who in the past has shown her  
ability to cope with affairs in a just  
manner, and has always directed her  
energies with a profound American  
principle.

We are all familiar with Mrs.  
Shipnes' executive ability. It was  
her untiring efforts during her ad-  
ministration as president of the  
Highland Park Woman's club which  
brought about the completion of the  
Woman's club auditorium.

We as citizen voters want a high  
school board free from "isms." With  
every member an individual to whom  
we can point with pride.

Let us therefore study well our bal-  
lot before casting it on April 11th.

Very truly yours,  
R. J. Beatty,

**DANIEL PEASE DIES

Former Well Known Resident of  
This Community, Passes on;  
Funeral There

Daniel Pease, for many years resi-  
dent of Highwood, died last Thurs-  
day evening, March 26, 1925, at Seat-  
tle, Wash. He was under treatment  
for diabetes and heart trouble at  
Seattle General hospital for about a  
month, and passed away without  
suffering. The interment was Saturday  
in Seattle.

He was born in Somers, Connecti-  
cut, of pioneer stock. Self-educated,  
he went to Boston when twenty years  
of age and worked ten years for  
Jordan Marsh. Coming to Chicago in  
1881, he was a buyer for Carson Pirie  
for twenty years. He then retired to  
Seattle, and spent his last days on  
Whitby Islands in Puget Sound.

He was for many years justice of  
the peace in Highwood, and secretary  
of the school board that built the first  
unit of the Deerfield-Shields high  
school. A man of powerful will and  
great strength of character, he held  
the respect of his neighbors and was  
a leader in good works.

He is survived by his wife, Kath-  
arine James Pease, aged 72, of Seat-  
tle, and seven children, as follows:

**DATE OF D. A. R. MEET-  
ING IS CHANGED**

Owing to the date of the next reg-  
ular meeting of the North Shore  
Chapter of the Daughters of the  
American Revolution coming during  
Holy Week, the board of directors  
has changed the day of the meeting  
from April 9 to April 16 at the home  
of Mrs. Harry Selery.

The twenty-ninth annual state con-  
ference was held in Joliet March 24  
to 26. Mrs. Norman Lenington, Mrs.  
Robert Seyfarth and Mrs. Erastus  
Phelps attended the meeting. Many  
interesting reports were given show-  
ing that much good has been accom-  
plished along patriotic and education-  
al lines during the past year, and  
many plans were discussed for fu-  
ture work. There are now ninety-  
one chapters in Illinois with a mem-  
bership of 7,866.

**Investment "Tips"**

By Andrew Mellon, Secretary of the Treasury

Never buy stocks in mines you know nothing about. Shun alluring  
promises about mines in a far-away land.

None but the rich can afford to trifle with oil wells.

A patent may only be the right to a law-suit. Schemers take advan-  
tage of every important discovery and invention, and some have nothing  
but promises to sell.

There are real estate promoters who will sell you swamps as "shore  
frontage." If you buy property buy near home.

"Invest quick or it may be too late" is the favorite urge of the wild cat  
salesman. That should make you suspicious.

Your banker will tell you that all tips on the stock market are worthless.  
Do not think you will be let in on the ground floor.

The rich man can afford to speculate. If he loses he has other money.  
Not so the small investor. Never play the stock market on margin.

Stock in companies being organized on the success of others rarely  
turns out well. Do not put your money into another man's dreams.
