

Visit the Flower Show

If you would like to look at the finest display of Flowers ever shown along the North Shore we would be much pleased to have you pay our Greenhouses (Laurel Avenue, 1 block west of Depot) a visit.

Whether you just wish a little pot of Tulips, Jonquils, or Hyacinths, a simple assorted plant arrangement, or a more elaborate basket combination ranging as high as twenty-five or thirty dollars, or if you only come to feast your eyes on the many hundreds of stately Easter Lilies and take a walk through the Greenhouses, you are most welcome.

Bear in mind we not only deliver your orders along the North Shore, but can in a few hours take care of any order by Telegraph anywhere in the United States or Canada and Europe as well.
