

Yes, clothes like this do pay dividends

YOUR Clothes tell the world what you think of yourself. If you like look a few seasons ago, with shiny elbows, people can't help thinking, "He knows his own limitations best."

That's why you see so many successful men coming in here for Adler Collegians—the clothes that keep you looking your best. This season everything is new. Colors are different, patterns are different, models are different. This is one time when you have to have new clothes or be counted out.

Mussolini's return to health was hailed by 150,000 Romans in a big demonstration recently, and over a million Italians took the renewal oath of fealty to Fascism. Evidently Italy is not yet prepared to substitute the red flag for the black shirt.

Ex-President Millerand has come out in favor of France's severing relations with soviet Russia. Evidence continues to accumulate that the French pact with the bolsheviks has not brought them any considerable joy or satisfaction.

SCHOOL ELECTIONS HERE ON SATURDAY

Continued from page 1

There are two new candidates for election to the board of education in District 108. Mrs. J. B. Garnett is a candidate to succeed Mrs. R. E. Seyfarth who is retiring from the board after nine years of faithful and devoted service. Mrs. Garnett is well qualified to carry on this important work. She is a broad-minded and public-spirited mother who is interested in serving her community in a constructive way. She is a graduate of the Evanston public schools and Northwestern university, being graduated with honors as a member of Phi Beta Kappa. She is a member of the Lincoln school P. T. A. and served as its very efficient and popular president two years ago. She is also an active member of the Presbyterian church, the Highland Park Woman's club and the D. A. R.

It is with regret that the board announces the resignation of Mrs. F. D. Porter of Ravinia. Miss Elizabeth Wells Robertson, a resident of Ravinia, is a candidate for election to this unexpired term. Miss Robertson is also well qualified to hold this public office. She is a graduate of Chicago university and has had a wide experience in the educational field. She is at present a teacher of art in the Carl Schurz high school in Chicago. Her services on any school board should count in a very fine and constructive way.

Carlton Vail and W. C. Shipnes are both candidates for re-election. Mr. Shipnes has served as the president of the board for the past two years and it would be hard to find a more able or public-spirited leader. Mr. Vail has also devoted himself in a very constructive way to the welfare of the schools in District 108 and deserves a vote of appreciation and confidence by the people of the district.

Every voter is urged to come to the polls and cast his ballot for these candidates. Don't forget the time and place, Saturday, April eleventh, one to six in the afternoon at the Lincoln school.

The most important thing to the men and women voters of Highland Park who have the welfare of the Deerfield-Shields high school at heart is to be sure to cast their vote, no matter for which candidate on Saturday, April 11, between the hours of 8 and 6 p. m.

The right persons on the high school board will mean a service to the growing generation, the boys and girls of today, who will be the men and women of tomorrow.

It is therefore most imperative that citizen voters study well the ballot before casting it, so that there may be no doubt in the minds of voters as to the candidate whom they will support.

POOR LIGHTING IS CAUSE OF ACCIDENT

No less than 17.6 per cent of city night traffic accidents, according to a survey of 31,475 accidents in the police records of 32 cities in this country, are attributable to poor street lighting.

Automobile accidents alone, it is estimated by Dr. Crum, statistician of the Prudential Life Insurance company, are the cause of an annual personal property loss of \$1,000,000,000.

In the terms of money only, inadequate street lighting is costing us \$54,000,000 annually, a sum greater than our yearly lighting bill.
