fort the P. T. A. has made as an organization, they are hoping to sell every seat in the house, every pupil being a selling agent.

As the performance will begin a half hour earlier than is usual at evening entertainments, the audience will need to be in their seats not later than seven thirty.

Request Assistance

Will any Elm Place mother who is willing to sew on costumes, please report at the Domestic Science room any day between now and the 21st, and give us help? Some very fine materials have been donated and many of these costumes, which are being planned according to a definite period, are to be the permanent property of the school.

Costumes Wanted

Friends of the school who may have costumes or material of the following types are requested to telephone Mrs. Joseph Card, telephone 481, if they are willing to loan the same for use in the pageant: Swedish costume, large Scottish Highland costume, racoon caps, tall top hat with flaring brim for Uncle Sam character, Russian costume, Dutch wooden shoes.

RAVINIA SEASON TO BE BRILLIANT ONE

who are possess high repute wherever music is appreciated. The same can be said of virtually all of those who are returning. Some of the latter group have been away merely through the interim since last summer; some since the season of 1923; others since 1922; still others have not sung at Ravinia in a long period.

In brief, there is nothing local about any of the Ravinia artists for 1925; and that is the best reason for not printing today what their assignments have been in the past.

Operas New to Ravinia

As to operas new to Ravinia there will be Puccini's "Manon Lescaut," which has not been heard in this neighborhood for fully fifteen years. In order to avoid possible misapprehension, I hasten to add that the other "Manon," Massenet's, will also be included in the repertoire.

MR. SMITH'S TALK GREATLY ENJOYED

Woman's Civic Club Hear Interesting Talk on "Blossom Hosts and Insect Guests"

The Woman's Civic club of Ravinia held its regular meeting at the Village House, Wednesday afternoon, April 8.

The business of the day was followed by a delightful informal talk on plant life entitled "Blossom Hosts and Insect Guests" by Mr. Jesse Lewie Smith, well known educator of Highland Park, principal of the Elm Place school.

Mr. Smith introduced his audience to two genera of plants, the common milk weed and its species and our native orchid. They were illustrated by a rare collection of colored photographs taken by Mr. Smith himself in and around Highland Park and Deerfield.

Through these beautiful pictures he also traced the process of cross fertilization of the flowers by their insect guests.

Mr. Smith was very much "at home" with his favorite subject upon which he has devoted so much spare time in research.

He touched upon so many unusual items of interest resulting from his original observations that it proved to be one of the most enjoyable programs of the year.

INSTALLATION OF NEW LEGION POST

Install Navy and Marine Post at Great Lakes Monday; Fine Program

The Navy and Marine Post of the American Legion located at Great Lakes Naval Training Station met and elected permanent officers for the remainder of this year. The officers elected were as follows: commander, John A. McCormack; senior vice-commander, Edward J. McGeogh; junior vice-commander, Harry C. Edwards; adjutant, Cary E. Donaldson; finance officer, Thomas G. Sexton; chaplain, Roy T. J. Burke; historian, Fred C. Bean; sergeant at arms, George Miller.

Elaborate preparation is being made for the meeting to be held on Monday, April 20, when this post will be officially installed by the State Commander of the American Legion, Howard P. Savage of Chicago.

Many speakers of prominence in the American Legion will be with the post on the occasion of this installation among whom will be Rev. Joseph A. Lonergan, National Chaplain of the American Legion; Captain Waldo Evans, U. S. N.; Howard P. Savage, Commander Department of Illinois; Captain Edward Evans, U. S. N. R. F.; Charles W. Schick, Past Commander, Department of Illinois; Vilas H. Whalley, Past Commandant, Department of Wisconsin; Austin A. Peterson, Department Adjutant, Wisconsin; John A. Hartman, Liaison Officer, U. S. Veterans' Bureau; Albert E. Loescher, Theodore Roosevelt Post, Chicago; James Gallagher, 8th District committeeman; F. M. Opeka, Chemist 40 and 8; Charles W. Alden, Chef de Care 40 and 8; and many others who are active in the American Legion. It will be the ambition of this new post to try and make this event the greatest of its kind that has occurred on the North Shore.

A very excellent musical program has been arranged in addition to the speakers which will include: Naval Training Station band; the Pirate band, Naval Post, Chicago; Mr. Traver Bradley, ventriloquist, Orpheum circuit; Sunkist Trio, instrumentalists; Patrick Luby, baritone soloist; Naval hospital quartet; and other numbers.

All members of the American Legion in northern Illinois are urged to attend this meeting and meet with the fellows that are conducting your state and national affairs. Members of the 40 and 8 are requested to appear with their chapeaus and medals. Let us hear from you. Come and see the Navy at home. Don't forget the night, April 20, 1925. Hostess House Naval hospital, Great Lakes, Ill.

PUBLIC HEALTH BULLETIN

No more cases of small-pox have occurred and danger from the two previously reported cases is nearly ended.

It cannot be too strongly emphasized however that the one sure preventative of small-pox is vaccination. Contagious cases reported the past week: whooping cough, 2; chicken pox, 5; mumps, 3; measles, 2.

To give the public some idea of the activities of the school nurses the following brief tabulation of a part of the work for the month of March is submitted:
