**HOMECOMING DAY AT ARDEN SHORE CAMP****ANNUAL RE-UNION MAY 3**

Graduate Boys of Winter Camp Will Join in Celebration Program to Be Rendered

(By Arden Shore Worker)

Homecoming Day, the annual re-union of the graduate boys of the winter camp and the biggest day of the year at Arden Shore, is set for Sunday, May 3, and the board of directors of the Arden Shore association extends a cordial invitation to all friends of Arden Shore to come to the camp and join with the boys in this happy celebration.

The Great Lakes orchestra will be there to help entertain the guests, the Girls' Glee Club of New Trier high school will sing and the speaker will be Mr. Perry Dunlap Smith, principal of the Winnetka Country Day school. Also the boys themselves, both the graduates and those at the camp, will add their bit to the entertainment. After the program tea will be served by the Social committee, and the graduates of the camp will keep open house in their own building which they are giving as a token of their appreciation of what Arden Shore has done for them.

It is the aim of the Arden Shore association to look after its boys when they leave the camp until they are established in business and well on the road to independent and respected citizenship. It does not always succeed, many times it fails, but the great majority of the boys do make good and when they come back to the camp on Homecoming Day and report their progress the Arden Shore staff has good cause to be proud of its work. Perhaps the public does not fully realize what a splendid thing is being done in the way of forging this link of friendship between these boys, mostly of foreign parentage, and the men and women of a different walk in life who give their time and their money to support this great camp at Lake Bluff. It is the same doctrine of friendliness that is being preached by all our great social workers and its spirit is making of these Arden Shore boys little Americans who have had planted in their hearts the fine ideals of American manhood and the desire to support, to the best of their ability, the institutions of American government. Every year Arden Shore sends out from 75 to 100 of these boys who have been built up physically to their normal weight and who have been given higher standards of living and thinking than they ever knew before. No mean contribution, surely, to the life of our great city.

Follow-up work is carried on in Chicago by means of Big Brothers, and Arden Shore Boys' clubs. One club meets at Sherman Park Field House, one at Gads Hill Center and one at Association House. They are all under the leadership of a young Y. M. C. A. man and they have a governing council of their own members who make the rules and deal with all offenders. There is also an advisory council of Arden Shore board members. The men of the Exchange club, of which Mr. F. M. Bowes of Kenilworth is president, takes a keen interest in these clubs and contribute to their support. The clubs provide healthful, worth while amusement for the boys and help to keep them away from the mischievous street gangs. These boys do not come from the Juvenile Court nor from the delinquent class and the Arden Shore association endeavors to keep them out of the courts and the reform schools. The older boys are being trained to take a friendly interest in the welfare of the younger ones and the whole organization is pledged to try to live up to Arden Shore ideals and to support the work of the camp in every way possible.

The Big Brothers of Arden Shore are also doing a valuable work in giving the boys suitable employment and helping them by friendly advice. More Big Brothers are always needed and names will be gratefully received by Mrs. F. G. Wacker, 208 College road, Lake Forest.

Homecoming Day gives a special opportunity to the people of the North Shore villages to see for themselves the results of their generous investment in Arden Shore.

The entrance to the camp is on Sheridan road a short distance north of Lake Bluff. Local trains on the Milwaukee Electric stop at Arden Shore station.

On his seventy-first birthday, former Vice-President Marshall said "the sum total of all my observations is that there's more good in the world than evil." He's out of politics and can take an unbiased view of the election returns. — Pittsburg Gazette-Times.
